Remedial Actions for Tax-Exempt Bonds; Hearing Cancellation

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Cancellation of notice of public hearing on proposed rulemaking.

SUMMARY: This document cancels the public hearing on proposed regulations under section 103(a) of the Internal Revenue Code that amend the final regulations that provide certain permitted remedial actions for tax-exempt bonds issued by State and local governments.

DATES: The public hearing originally scheduled for November 4, 2003, at 10 a.m., is cancelled.

FOR FURTHER INFORMATION CONTACT: Sonya M. Cruse of the Publications and Regulations Branch, Legal Processing Division, Associate Chief Counsel (Procedure and Administration), (202) 622-4693 (not a toll-free number).

SUPPLEMENTARY INFORMATION: A notice of proposed rulemaking and notice of public hearing that appeared in the **Federal Register** on Monday, July 21, 2003 (68 FR 43059), announced that a public hearing was scheduled for November 4, 2003, at 10 a.m., in the auditorium, Internal Revenue Service Building, 1111 Constitution Avenue, NW., Washington, DC. The subject of the public hearing is proposed regulations under section 103(a) of the Internal Revenue Code.

The public comment period for these regulations expired on October 14, 2003. The outlines of oral testimony were due on October 14, 2003. The notice of proposed rulemaking and notice of public hearing, instructed those interested in testifying at the public hearing to submit an outline of the topics to be addressed. As of Tuesday, October 21, 2003, no one has submitted an outline of oral testimony. Therefore,

the public hearing scheduled for November 4, 2003, is cancelled.

Cynthia E. Grigsby,

Acting Chief, Publications and Regulations Branch, Legal Processing Division, Associate Chief Counsel (Procedure and Administration).

Special Local Regulations for Marine Events; Nanticoke River, Sharptown, MD

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish permanent special local regulations for the Sharptown Outboard Regatta, a marine event held on the waters of the Nanticoke River near Sharptown, Maryland. This action is necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in portions of the Nanticoke River during the event.

DATES: Comments and related material must reach the Coast Guard on or before January 22, 2004.

ADDRESSES: You may mail comments and related material to Commander (oax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, hand-deliver them to Room 119 at the same address between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays, or fax them to (757) 398-6203. The Auxiliary and Recreational Boating Safety Branch, Fifth Coast Guard District, maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection or copying at the above address between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: S. L. Phillips, Project Manager, Auxiliary and Recreational Boating Safety Branch, at (757) 398-6204.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking (CGD05-03-156), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to the address listed under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

The North-South Racing Association sponsors the Sharptown Outboard Regatta annually on the last Saturday and Sunday in June. The event consists of approximately 50 hydroplanes and runabouts conducting high-speed competitive races on the waters of the Nanticoke River between the Maryland S.R. 313 Highway Bridge and Nanticoke River Light 43 (LLN-24175). The races usually begin at 12 noon and conclude at 5 p.m. each day. A fleet of spectator vessels normally gathers nearby to view the event. To provide for the safety of participants, spectators and transiting vessels, the Coast Guard intends to temporarily restrict vessel movement in the event area before, during and after the event.

Discussion of Proposed Rule

The Coast Guard proposes to establish a permanent regulated area on specified waters of the Nanticoke River, near Sharptown, Maryland. The regulated area would include waters of the Nanticoke River between the Maryland S.R. 313 Highway Bridge and Nanticoke River Light 43 (LLN-24175). The proposed special local regulations would restrict general navigation in the regulated area on the last Saturday and Sunday in June and would be enforced from one hour prior to the start of the event to one hour after the event each day. Except for participants in the

Sharptown Outboard Regatta and persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel would be allowed to enter or remain in the regulated area. The Patrol Commander would allow non-participating vessels to transit the regulated area between races, when it is safe to do so. The proposed regulated area is needed to control vessel traffic before, during and after the event to enhance the safety of participants, spectators and transiting vessels.

Regulatory Evaluation

This proposed rule is not a "significant regulatory action" under section 3 (f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6 (a) (3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary. Although this proposed regulation would prevent traffic from transiting a portion of the Nanticoke River during the event, the effect of this proposed regulation would not be significant due to the limited duration that the regulated area will be in effect and the extensive advance notifications that will be made to the maritime community via the Local Notice to Mariners, marine information broadcasts, and area newspapers, so mariners can adjust their plans accordingly. Additionally, vessel traffic would be able to transit the regulated area when the Coast Guard Patrol Commander deems it is safe to do so.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605 (b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. This proposed rule would affect the following entities, some of which

might be small entities: The owners or operators of vessels intending to transit or anchor in a portion of the Nanticoke River during the event.

This proposed rule would not have a significant economic impact on a substantial number of small entities for the following reasons. This proposed rule would be in effect for only two days each year. Vessel traffic would be able to transit the regulated area when the Coast Guard Patrol Commander deems it is safe to do so. Before the enforcement period, we would issue maritime advisories so mariners can adjust their plans accordingly.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (*see ADDRESSES*) explaining why you think it qualifies and how and to what degree this proposed rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the address listed under **ADDRESSES**.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of

compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because

it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We prepared an “Environmental Assessment” in accordance with Commandant Instruction M16475.1D, and determined that this rule will not significantly affect the quality of the human environment. The “Environmental Assessment” and “Finding of No Significant Impact” is available in the docket where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR Part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233; Department of Homeland Security Delegation No. 0170.1.

2. Add § 100.532 to read as follows:

§ 100.532 Nanticoke River, Sharptown, MD.

(a) *Regulated Area.* The regulated area includes all waters of the Nanticoke River, near Sharptown, Maryland, between Maryland S.R. 313 Highway Bridge and Nanticoke River Light 43 (LLN–24175), bounded by a line drawn between the following points: southeasterly from latitude 38°32′46″ N, longitude 075°43′14″ W, to latitude 38°32′42″ N, longitude 75°43′09″ W, thence northeasterly to latitude 38°33′04″ N, longitude 075°42′39″ W, thence northwesterly to latitude 38°33′09″ N, longitude 75°42′44″ W, thence southwesterly to latitude 38°32′46″ N, longitude 75°43′14″ W. All coordinates reference Datum NAD 1983.

(b) *Definitions.* The following definitions apply to this section:

Coast Guard Patrol Commander means a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Activities Baltimore.

Official Patrol means any vessel assigned or approved by Commander, Coast Guard Activities Baltimore with a commissioned, warrant, or petty officer

on board and displaying a Coast Guard ensign.

(c) *Special local regulations:*

(1) Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) The operator of any vessel in this area shall:

(i) Stop the vessel immediately when directed to do so by any Official Patrol; and

(ii) Proceed as directed by any Official Patrol.

(d) *Enforcement period.* This section will be enforced annually on the last Saturday and Sunday in June. Notice of the specific event times will be given via marine Safety Radio Broadcast on VHF–FM marine band radio channel 22 (157.1 MHz).

Dated: October 10, 2003.
