Chalup SetNet Operation, Homer, Alaska; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, as amended, an investigation was initiated on October 1, 2003 in response to a petition filed by a company official on behalf of workers of the Chalup SetNet Operation, Homer, Alaska.

The investigation revealed that the subject firm did not separate or threaten to separate a significant number or proportion of workers as required by Section 222 of the Trade Act of 1974. Significant number or proportion of the workers means that at least three workers in a firm with a workforce of fewer than 50 workers would have to be affected. Separations by the subject firm did not meet this threshold level; consequently the investigation has been terminated.

Signed at Washington, DC this 8th day of October 2003.

Richard Church,

Certifying Officer, Division of Trade Adjustment Assistance.

Fishing Vessel (F/V) Claudia H., Homer, Alaska; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, as amended, an investigation was initiated on September 26, 2003 in response to a petition filed by a company official on behalf of workers of Fishing Vessel (F/V) Claudia H., Homer, Alaska.

The investigation revealed that the subject firm did not separate or threaten to separate a significant number or

proportion of workers as required by Section 222 of the Trade Act of 1974. Significant number or proportion of the workers means that at least three workers in a firm with a workforce of fewer than 50 workers would have to be affected. Separations by the subject firm did not meet this threshold level; consequently the investigation has been terminated.

Signed at Washington, DC this 8th day of October 2003.

Richard Church,

Certifying Officer, Division of Trade Adjustment Assistance.
