In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380 (Order No. 486, 52 FR 47897), the Office of Energy Projects' staff has prepared an Environmental Assessment (EA) for Grand River Dam Authority's application for non-project use of project lands and waters for approval to permit Joe Harwood d/b/a Arrowhead Investment & Development Company to expand and modernize an existing marina from 9 existing docks with 111 boat slips and a service station to 11 docks with 175 boats slips and a new service station.
