Background

In accordance with 19 CFR 351.213(b), on August 29, 2003, Solvay requested an administrative review of the antidumping duty order on granular polytetrafluoroethylene resin from Italy. On September 30, 2003, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of this order for the period August 1, 2002, through July 31, 2003 (68 FR 56262). Solvay withdrew its request for this review on October 24, 2003. *See Letter from Maureen Rosch, representative of Solvay, to the Department* (October 24, 2003).

Rescission of Review

The Department's regulations at 19 CFR 351.213(d)(1) provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. Solvay withdrew its request within the 90-day period. Accordingly, we are rescinding this review. The Department will issue appropriate assessment instructions to the U.S. Customs and Border Protection within 15 days of publication of this notice.

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

with the regulations and terms of an APO is a sanctionable violation.

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date publication of the preliminary results, to issues its final results by an additional 60 days. Completion of the final results within the 120-day period is not practicable due to the complexity of DSM's affiliation issue and INI's ordinary course of trade issue.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for completion of these final results to by 30 days until no later than February 6, 2003.
