Abstract: This submission covers an extension of the Agencies' currently approved information collections in their regulations (12 CFR part 14 (OCC); 12 CFR part 208 (Board); 12 CFR part 343 (FDIC); and 12 CFR part 536 (OTS)). The submission involves no change to the regulations or to the information collection requirements.

The information collection requirements contained in the regulations are as follows:

Covered persons are required to make insurance disclosures before the completion of the initial sale of an insurance product or annuity to a consumer. The disclosure must be made orally and in writing to the consumer that: 1) the insurance product or annuity is not a deposit or other obligation of,

or guaranteed by, the financial institution or an affiliate of the financial institution; 2) the insurance product or annuity is not insured by the FDIC or any other agency of the United States, the financial institution, or (if applicable) an affiliate of the financial institution; and 3) in the case of an insurance product or annuity that involves an investment risk, there is investment risk associated with the product, including the possible loss of value. Sections .40(a) (OCC); .84(a) (Board); .40(a)(FDIC); .40(a)(OTS).

Covered persons are required to make a credit disclosure at the time a consumer applies for an extension of credit in connection with which an insurance product or annuity is solicited, offered, or sold. The disclosure must be made orally and in writing that the financial institution may not condition an extension of credit on either: 1) the consumer's purchase of an insurance product or annuity from the financial institution or any of its affiliates; or 2) the consumer's agreement not to obtain, or a prohibition on the consumer from obtaining, an insurance product or annuity from an unaffiliated entity. Section .40(b)(OCC); .84(b)(Board); .40(b)(FDIC); .40(b)(OTS).

Affected Public: Businesses or other for-profit.

Burden Estimates:

In 2000, the Agencies jointly published a notice in the Federal Register that contained the Agencies' burden estimates for their information collections. The Board, FDIC, and OTS used the same methodology for calculating the paperwork burden on their respondents; however, the OCC used a different methodology.

In 2003, an interagency working group¹ agreed to jointly review the paperwork burden of their sale of insurance regulations. To avoid expiration of the authority for the information collections while the review is being completed, the group agreed to publish for comment estimates based on year 2000 assumptions. After the Agencies' public comment has closed, they will jointly review all comments received and determine the best method for calculating the burden. The Agencies will revise their estimates and publish a joint final notice when they submit their information collections to OMB for review.

Estimated Number of Respondents:

OCC: 1,949
Board: 1,010
FDIC: 5,800

OTS: 1,097

Estimated Number of Responses:

OCC: 1,949
Board: 553,480
FDIC: 920,000
OTS: 567,432

Estimated Annual Burden Hours:

OCC: 19,490 hours
Board: 46,123 hours
FDIC: 76,667 hours
OTS: 47,286 hours

Frequency of Response: On occasion.
