The proposal should demonstrate an understanding of the specific diversity needs in Azerbaijan and strategies for addressing these needs in terms of the project goals.

5. *Institutional capacity and record:* Proposed personnel and institutional resources should be adequate and appropriate to achieve the goals of the project. Proposals should demonstrate an institutional record of successful exchange activities, including responsible fiscal management and full compliance with all reporting requirements for past Bureau grants as determined by the Bureau's grants staff. The Bureau will consider the past performance of prior grant recipients as well as the demonstrated potential of new applicants.

6. *Project Evaluation:* Proposals should include a plan to evaluate the activity's success, both as the activities unfold and at the end of the program. A draft survey questionnaire or other evaluation technique should be included together with the description of how project outcomes will be compared with project objectives.

7. *Follow-on Activities:* Proposals should provide a plan for continued follow-on activity (without Bureau support) that ensures that the project activities are not isolated events but are part of a coherent and on-going plan to improve education in Azerbaijan.

8. *Cost-effectiveness:* The overhead and administrative components of the proposal, including salaries and honoraria, should be reasonable and appropriate and should reflect a commitment to pursuing project objectives. The Bureau views cost sharing as a reflection of institutional commitment to the project. Contributions should not be limited to indirect costs.
