As you have advised, the language quoted above became effective as of June 27, 2003. At that time, Waste Management became immediately obligated not to enforce any contract provision(s) inconsistent with the five contract prohibitions listed above, although other contract terms may remain enforceable by Waste Management. As a result, contracts in place as of June 27, 2003 must conform to these five contract prohibitions. Moreover, Waste Management is also obligated to offer new contracts to new and existing customers in accordance with these five contract prohibitions, subject to the deadlines set forth in Section XIII the Final Judgment.

In short, the obligation upon Waste Management not to enforce any contract provision(s) inconsistent with the five contract prohibitions currently applies, whether or not the contracts in place physically incorporate the language in question. On that basis, we have no objection to or other comment on the proposed Final Judgment pending before Judge Gladys Kessler.

Sincerely,

Gregory E. Neppel
