

VIII. Other Information

Funding Reconsideration. After Federal funds are exhausted for this grant competition, applications which have been independently reviewed and ranked but have no final disposition (neither approved nor disapproved for funding) may again be considered for funding. Reconsideration may occur at any time funds become available within twelve (12) months following ranking. ACF does not select from multiple ranking lists for a program. Therefore, should a new competition be scheduled and applications remain ranked without final disposition, applicants are informed of their opportunity to reapply

for the new competition, to the extent practical.

Proposed Information Collection Activity; Comment Request

Proposed Projects:
Title: National Medical Support Notice (NMSN).
OMB No.: 0970-0222.
Description: The information collected by state IV-D child support enforcement agencies is used to complete the National Medical Support Notice (NMSN) that is sent to employers of employee/obligors and used as a means of enforcing the health care coverage provision in a child support order. Primarily, the information the state child support enforcement agencies use to complete the NMSN is information that is necessary for the

enrollment of the child in employment-related health care coverage, such as the employee/obligor's name, address, and social security number; the employer's name and address; the name and address of the alternate recipient (child); and the custodial parent's name and address. The employer forwards the second part of the NMSN which contains the same individual identifying information to the group health plan administrator. The plan administrator requires this information to determine whether to enroll the alternate recipient in the group health plan. If necessary, the employer also initiates withholding from the employee's wages for the purpose of paying premiums to the group health plan for enrollment of the child.

Respondents: State and local title IV-D child support enforcement agencies initiate the process of enforcing medical health care coverage for the child by completing and sending the notice to known employers of the noncustodial parents (employee/obligor). Employers and plan administrators are on the receiving end of the notice.

Annual Burden Estimates:

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
NMSN	54	13,454	.17	123,507

Estimated Total Annual Burden Hours: 123,507.
