SUPPLEMENTARY INFORMATION:

I. Background

On December 21, 2000, the Congress passed the Medicare, Medicaid, and SCHIP Benefits Improvement and Protection Act of 2000 (the BIPA) (Pub.

L. 106-554). Section 1833(h) of the Social Security Act (the Act) and section 531(b) of the BIPA mandated procedures that permit public consultation on clinical laboratory services and durable medical equipment (DME) payment policy issues. We are applying this public consultation procedure to ambulance service policy issues for the purpose of this town hall meeting. This town hall meeting is intended to provide a forum for all interested parties to comment on and discuss the Ambulance Condition Codes. The Ambulance Condition Code information may be reviewed prior to the public meeting by accessing <http://www.cms.hhs.gov/paymentsystems> on the Internet. This information will be available for review beginning January 5, 2003.

II. Presentations

Registered persons from the public may discuss and make recommendations concerning the Ambulance Condition Codes. Individuals who wish to make formal presentations must include that information when registering. Presentations must be brief, and three written copies must be submitted to accompany the oral presentation. Presenters may also make copies available for approximately 50 meeting participants.

III. Registration Instructions

Beginning January 5, 2004, you may complete your registration on-line at <http://www.cms.hhs.gov/paymentsystems>. Please submit the following information when registering: name, company name, address, telephone number, and e-mail address and an indication of whether you wish to make a formal presentation. A confirmation will be sent upon receipt of the registration.

Because this meeting will be located on Federal property, for security reasons, any persons wishing to attend this meeting must register by close of business on January 23, 2004. In order to gain access to the building and grounds, participants must show to the Federal Protective Service or Guard Service personnel a government-issued photo identification and a copy of their registration confirmation. Individuals who have not registered in advance will not be allowed to enter the building to attend the meeting. Seating capacity is limited to the first 250 registrants.

The on-site check-in for visitors will be held from 9 a.m. until 10 a.m., followed by opening remarks. Please allow sufficient time to arrive to go through the security checkpoints. It is

suggested that you arrive at 7500 Security Boulevard no later than 8:40 a.m. so that you will be able to arrive promptly at the meeting by 9 a.m. All items brought to CMS, whether personal or for the purpose of demonstration or to support a presentation, are subject to inspection.
