SUPPLEMENTARY INFORMATION:

Title: Take Pride In America National Awards Application/Nomination Process.

OMB Control Number: 1093-0004.

Abstract: Under the Take Pride In America Program Act (Act), 16 U.S.C. Sec. 4601-4608, the Secretary of the Interior is to: (1) "conduct a national awards program to honor those individuals and entities which, in the opinion of the Secretary * * * have distinguished themselves in activities" under the purposes of the Act; and also to (2) "establish and maintain a public awareness campaign in cooperation with public and private organizations and individuals—(A) to instill in the public the importance of the appropriate use of, and appreciation for Federal, State, and local lands, facilities, and natural and cultural resources; (B) to encourage an attitude of stewardship and responsibility toward these lands, facilities, and resources; and (C) to promote participation by individuals, organizations, and communities of a conservation ethic in caring for these lands, facilities, and resources." The Act states that "[t]he Secretary is authorized

* * * generally to do any and all lawful acts necessary or appropriate to further the purposes of the TPIA Program."

The Take Pride In America (TPIA) Program was re-launched on April 16, 2003. The Program collects information provided voluntarily by individuals or organizations about their events and activities to further the purposes of the Act in order to select finalists and winners of the annual Take Pride In America National Awards. The TPIA National Awards recognize the valuable and significant contributions that individuals and organizations make in support of the stewardship of America's lands. Their tireless and creative efforts play a vital role in protecting, conserving, and enhancing America's wealth of natural, historical, and cultural resources. These awards recognize the efforts of individuals and organizations in both the public and private sectors for outstanding stewardship involving Federal, State, local, Tribal, and private lands.

We use the information collected primarily to select finalists and winners of the TPIA National Awards. Information also is used to assure the integrity of the Program (so that, for example, an individual or organization does not receive an award twice for the same project), for reporting on the accomplishments of the Program, for the public awareness campaign (such as press releases and website information on winning projects), and to further the purposes of the Act (such as fostering partnerships and coordination of projects).

OMB approved TPIA's application instructions and form on June 24, 2003, on an emergency basis, with an expiration date of December 31, 2003. To obtain a copy of the approved application instructions and form, please contact the TPIA office as shown in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

No items of a sensitive nature are collected. Responses are voluntary.

A Federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
