

assistance, or persons requiring visual aids for their presentation. To the extent available, translators will be provided to persons wishing to present their views in a language other than English if this information is included in the request to testify. Persons interested only in attending the meeting, but not testifying, need not submit a written request to attend.

By order of the General Counsel, acting pursuant to delegated authority, effective December 22, 2003.

Jennifer J. Johnson,

Secretary of the Board.

Office of the Secretary

Secretary's Council on Public Health Preparedness; Notice of Meeting

Pursuant to Section 10(a) of the Federal Advisory Committee Act, as amended (5 U.S.C. Appendix 2), notice is given of a meeting of the Secretary's Council on Public Health Preparedness.

The purpose of this public meeting is to convene the Council to discuss issues related to preparing the nation to respond to public health emergencies in general and bioterrorism in particular. The Council may consider the following major issues: BioShield; Modeling Initiatives; Transport of Possibly Infected Exotic Animals; Global IT Monitoring; Public Health Preparedness Effort; State and Local Programs; R&D Initiatives.

Name of Committee: Secretary's Council on Public Health Preparedness.

Date: January 22–23, 2004.

Time: January 22—9 a.m.–6 p.m.; January 23—9 a.m.–3 p.m.

Place: Holiday Inn Capitol, 550 C Street, SW., Washington, DC 20024, Telephone: (202) 479–4006.

Contact Person: Dr. Judy Blumenthal, Executive Director, Secretary's Council on Public Health Preparedness, Office of the Assistant Secretary for Public Health Emergency Preparedness, 200 Independence Avenue, SW., Room 638G, Washington, DC 20201, 202–401–4848.

Supplementary Information: The Secretary's Council on Public Health Preparedness was established on October 22, 2001, by the Secretary of Health and Human Services under the authorization of Section 319 of the Public Health Service Act (42 U.S.C. § 247d); Section 222 of the Public Health Service Act (42 U.S.C. § 217a). The purpose of the Secretary's Council on Public Health Preparedness will be to advise the Secretary on appropriate actions to prepare for and respond to public health emergencies

including acts of bioterrorism. The function of the Council is to advise the Secretary regarding steps that the U.S. Department of Health and Human Services can take to (1) Improve the public health and health care infrastructure to better enable Federal, State, and local governments to respond to a public health emergency and, specifically, a bio-terrorist event; (2) ensure that there are comprehensive contingency plans in place at the Federal, State, and local levels to respond to a public health emergency and, specifically, a bio-terrorist event; and (3) improve public health preparedness at the Federal, State, and local levels.

Public Participation

The meeting is open to the public with attendance limited by the availability of space on a first come, first served basis. Members of the public who wish to attend the meeting may register by e-mailing sacphp@esi-dc.com <<mailto:sacphp@esi-dc.com>> no later than close of business, January 15, 2004. All requests should include the name, address, telephone number, and business or professional affiliation of those registering.

Opportunities for oral statements by the public will be provided on Friday, January 23, 2004 at approximately 11:30 a.m. Oral comments will be limited to 5 minutes, 3 minutes to make a statement and 2 minutes to respond to questions from Council members. Due to time constraints, only one representative from each organization will be allotted time for oral testimony. The number of speakers and the time allotment may also be limited by the number of registrants. Members of the public who wish to present oral comments at the meeting may register by e-mailing [E T='03']sacphp@esi-dc.com[/E] <[E T='03']<mailto:sacphp@esi-dc.com>[/E]> no later than close of business, January 15, 2004. All requests to present oral comments should include the name, address, telephone number, and business or professional affiliation of the interested party, and should indicate the areas of interest or issue to be addressed.

Any person attending the meeting who has not registered to speak in advance of the meeting will be allowed to make a brief oral statement during the time set aside for public comment if time permits and at the Chairperson's discretion. Individuals unable to attend the meeting, or any interested parties, may send written comments by stamp mail or electronic mail to: ESI Attention: Janee Pelletier/SACPHP Meeting Comments; 7735 Old Georgetown Road, Suite 400; Bethesda, MD 20814; sacphp@esi-dc.com <<mailto:sacphp@esi-dc.com>>, phone 240–744–7026, for inclusion in the public record no later than close of business, January 15, 2004.

When mailing written comments, please provide your comments, if possible, as an electronic version or on a diskette. Persons needing special assistance, such as sign language interpretation or other special accommodations, should contact staff at the address and telephone number listed above no later than close of business, January 15, 2004.

Dated: December 23, 2003.

LaVerne Y. Stringfield,
Director, Office of Federal Advisory Committee Policy.

[60 Day–04–18]

Proposed Data Collections Submitted for Public Comment and Recommendations

In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection projects, the Centers for Disease Control and Prevention (CDC) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the data collection plans and instruments, call the CDC Reports Clearance Officer on (404) 498–1210.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Send comments to Anne O'Connor, CDC Assistant Reports Clearance Officer, 1600 Clifton Road, MS–E11, Atlanta, GA 30333. Written comments should be received within 60 days of this notice.

Proposed Project: National Ambulatory Medical Care Survey (NAMCS) 2005–2006 (OMB No. 0920–0234)—Extension—National Center for Health Statistics (NCHS), Centers for Disease Control and Prevention (CDC).

The National Ambulatory Medical Care Survey (NAMCS) was conducted annually from 1973 to 1981, again in 1985, and resumed as an annual survey in 1989. The survey is directed by CDC, National Center for Health Statistics, Division of Health Care Statistics. The purpose of NAMCS is to meet the needs and demands for statistical information about the provision of ambulatory
