SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: U.S. Securities and Exchange Commission, Office of Filing and Information Services, Washington, DC 20549.

Extension:

Rule 35d-1; SEC File No. 270-491; OMB Control No. 3235-0548.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("Act") the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Rule 35d-1 under the Investment Company Act of 1940, Investment Company Names."

Rule 35d-1 under the Investment Company Act of 1940 [17 CFR 270.35d-1] generally requires that investment companies with certain names invest at least 80% of their assets according to what their names suggests. The rule provides that an affected investment company must either adopt this 80% requirement as a fundamental policy or adopt a policy to provide notice to shareholders at least 60 days prior to any change in its 80% investment policy. This preparation and delivery of the notice to existing shareholders is a collection of information within the meaning of the Act.

The Commission estimates that there are 7,200 open-end and closed-end management investment companies and series that have descriptive names that are governed by the rule. The Commission estimates that of these 7,200 investment companies, approximately 24 provide prior notice to their shareholders of a change in their investment policies per year. The Commission estimates that the annual burden associated with the notice requirement of the rule is 20 hours per affected investment company or series. The total burden hours for Rule 35d-1 is 480 per year in the aggregate (24 responses × 20 hours per response). Estimates of average burden hours are made solely for the purposes of the Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collection of information under Rule 35d-1 is mandatory. The information provided under Rule 35d-1 is not kept confidential. The Commission may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: December 23, 2003.

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 15c2-12; SEC File No. 270-330; OMB Control No. 3235-0372.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Rule 15c2-12 Disclosure requirements for municipal securities.

Rule 15c2-12, under the Securities Exchange Act of 1934, requires underwriters of municipal securities: (1) To obtain and review a copy of an official statement deemed final by an issuer of the securities, except for the omission of specified information; (2) in non-competitively bid offerings, to make available, upon request, the most recent preliminary official statement, if any; (3) to contract with the issuer of the securities, or its agent, to receive, within specified time periods, sufficient copies of the issuer's final official statement to comply both with this rule and any rules of the MSRB; (4) to provide, for a specified period of time, copies of the final official statement to any potential customer upon request; (5) before purchasing or selling municipal securities in connection with an offering, to reasonably determine that the issuer or other specified person has undertaken, in a written agreement or contract, for the benefit of holders of such municipal securities, to provide certain information about the issue or issuer on a continuing basis to a nationally recognized municipal securities information repository; and (6) to review the information the issuer of the municipal security has undertaken to provide prior to recommending a transaction in the municipal security.

These disclosure and recordkeeping requirements will ensure that investors have adequate access to official disclosure documents that contain details about the value and risks of particular municipal securities at the time of issuance while the existence of

compulsory repositories will ensure that investors have continued access to terms and provisions relating to certain static features of those municipal securities. The provisions of Rule 15c2-12 regarding an issuer's continuing disclosure requirements assist investors by ensuring that information about an issue or issuer remains available after the issuance.

Municipal offerings of less than \$1 million are exempt from the rule, as are offerings of municipal securities issued in large denominations that are sold to no more than 35 sophisticated investors, have short-term maturities, or have short-term tender or put features. It is estimated that approximately 12,000 brokers, dealers, municipal securities dealers, issuers of municipal securities, and nationally recognized municipal securities information repositories will spend a total of 123,850 hours per year complying with Rule 15c2-12.

There is no specific retention period applied by Rule 15c2-12 for the recordkeeping requirement contained in Rule 15c2-12. The retention period is determined by private agreement between a nationally recognized municipal securities information repository and the issuer.

The recordkeeping requirement is mandatory to ensure that investors have access to information about the issuer and particular issues of municipal securities. This rule does not involve the collection of confidential information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General Comments regarding the estimated burden hours should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503; and (ii) Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: December 29, 2003.

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information, Washington, DC 20549.

Extension: Rule 17Ad-10; SEC File No. 270-265; OMB Control No. 3235-0273.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

- Rule 17Ad-10: Prompt posting of certificate detail to master securityholder files, maintenance of accurate securityholder files, communications between co-transfer agents and recordkeeping transfer agents, maintenance of current control book, retention of certificate detail and "buy-in" of physical over-issuance

Rule 17Ad-10, 17 CFR 240.17Ad-10, under the Securities Exchange Act of 1934, requires approximately 950 registered transfer agents to create and maintain minimum information on securityholders' ownership of an issue of securities for which it performs transfer agent functions, including the purchase, transfer and redemptions of securities. In addition, the rule also requires transfer agents that maintain securityholder records to keep certificate detail that has been cancelled from those records for a minimum of six years and to maintain and keep current an accurate record of the number of shares or principle dollar amount of debt securities that the issuer has authorized to be outstanding (a "control book"). These recordkeeping requirements assist in the creation and maintenance of accurate securityholder records, the ability to research errors, and ensure the transfer agent is ware of the number of securities that are properly authorized by the issuer, thereby avoiding overissuance.

There are approximately 950 transfer agents currently registered with the Commission. The staff estimates that the average number of hours necessary for each transfer agent to comply with Rule 17Ad-10 is approximately 20 hours per year, totalling 19,000 hours industry-wide. The average cost per hour is approximately \$20 per hour, with the industry-wide cost estimated at approximately \$380,000. However, the information required by Rule 17Ad-10

generally already is maintained by registered transfer agents. The amount of time devoted to compliance with Rule 17Ad-10 varies according to differences in business activity.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.
