SUPPLEMENTARY INFORMATION:

I. Background

In the *Federal Register* of October 10, 2003 (68 FR 58894), FDA issued an interim final rule to implement section 305 of the Bioterrorism Act. The registration regulation requires facilities that manufacture/process, pack, or hold food (including animal feed) for consumption in the United States to register with FDA by December 12, 2003.

On December 4, 2003, FDA issued the first edition of a guidance entitled “Questions and Answers Regarding the Interim Final Rule on Registration of Food Facilities.” This guidance, (“Questions and Answers Regarding the Interim Final Rule on Registration of Food Facilities (Edition 2)”) is a revision of the December 4, 2003, document and responds to additional questions about the interim final rule on registration. It is intended to help the industry better understand and comply with the regulation in 21 CFR part 1, subpart H.

FDA is issuing the guidance entitled “Questions and Answers Regarding the Interim Final Rule on Registration of Food Facilities (Edition 2)” as a Level 1 guidance. Consistent with FDA’s good guidance practices (GGPs) regulation § 10.115(g)(2) (21 CFR 10.115), the agency will accept comments, but it is implementing the guidance document immediately, in accordance with § 10.115(g)(2), because the agency has determined that prior public participation is not feasible or appropriate. As noted, the Bioterrorism Act requires covered facilities to be registered with FDA by December 12, 2003. Clarifying the provisions of the interim final rule will facilitate prompt registration by covered facilities and thus, complete implementation of the interim final rule.

FDA continues to receive a large number of questions regarding the

registration interim final rule, and is responding to these inquiries under § 10.115 as promptly as possible, using a question-and-answer format. The agency believes that it is reasonable to maintain all responses to questions concerning food facilities registration in a single document that is periodically updated as the agency receives and responds to additional questions. The following indicators will be employed to help users of the guidance identify revisions: (1) The guidance will be identified as a revision of a previously issued document, (2) the revision date of the guidance will appear on its cover, (3) the edition number of the guidance will be included in its title, and (4) new questions and answers will be identified as such in the body of the guidance.

II. Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) written or electronic comments on the guidance at any time. Two copies of any mailed comments are to be submitted, except that individuals may submit one copy. Comments are to be identified with the docket number found in brackets in the heading of this document. The guidance and received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

III. Electronic Access

Persons with access to the Internet may obtain the document at <http://www.cfsan.fda.gov/guidance.html>.

Dated: January 7, 2004.

Assistant Commissioner for Policy.
