II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of and basis for the proposed rule change, and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend CBOE Rule 4.6 (False Statements), which prohibits members and applicants for membership from making any false statement or misrepresentation to the Exchange or the Options Clearing Corporation (“OCC”), or from adjusting any position at OCC except to correct a bona fide error or transfer a position to another account. The purpose of the proposed rule change is to: (i) Distinguish willful or material misrepresentations (including misstatements and false statements) and omissions from other misrepresentations and omissions; and (ii) provide that non-willful and non-material misrepresentations, omissions and improper option position adjustments may be dealt with under the Exchange’s minor rule violation fine plan rather than with formal disciplinary action.

CBOE Rule 4.6 addresses three categories of prohibited conduct: false statements, misrepresentations, and improper position adjustments. The grouping of these three categories under a single heading “False Statements” has resulted in comments by members that a member could be charged by the Exchange with violating CBOE Rule 4.6 for conduct that does not rise to the level of a false statement, such as a minor misstatement or omission, and that such charge would unfairly characterize their conduct due to the fact that the rule is titled “False Statements.” According to members, if such charges were brought by the Exchange against a member and the charges or the settlement of the Exchange investigation are publicly disclosed, an appearance may be created that a respondent was found to have

made false statements, when in fact the conduct was less egregious.

Current CBOE Rule 4.6 applies to any false statement or misrepresentation made by a member, person associated with a member or applicant for membership in a communication to the Exchange or OCC, regardless of whether the false statement or misrepresentation was made knowingly or was of a material fact. Current CBOE Rule 4.6 does not distinguish between willfully made or material false statements and misrepresentations and other less serious types of misstatements and misrepresentations. Member firms have commented to the Exchange that if a member firm employee is charged with violating CBOE Rule 4.6 for a minor misstatement, he may lose employment because of the apparent seriousness of being charged with making a “False Statement” even though the actual violative conduct and penalty imposed by the Exchange may be less severe.

The Exchange proposes to limit the scope of CBOE Rule 4.6 to willfully made or material misrepresentations (which includes misstatements and false statements) and omissions by members, associated persons of members, or applicants for membership in communications to the Exchange or OCC. Misrepresentations and omissions of a less serious nature (those that are neither willfully made nor of a material fact) are distinguished from the foregoing in that they are proposed to be prohibited by new CBOE Rule 4.22. Improper option position adjustments are proposed to be covered by both rules to give the Exchange the flexibility to charge a violation of CBOE Rule 4.6 in those situations involving a serious offense. CBOE Rule 4.6 is proposed to be renamed “Misrepresentations or Omissions.” The Exchange believes that the proposed rule changes will clarify for members how the Exchange applies these rules.

By amending CBOE Rule 4.6 and adding new CBOE Rule 4.22, the Exchange also intends to provide a clearer, more concise statement of the disciplinary penalties that apply to misrepresentations and omissions to the Exchange or the OCC. Willful or material misrepresentations or omissions in communications to the Exchange or OCC and willful or material improper position adjustments would be charged under revised CBOE Rule 4.6. CBOE Rule 4.6 would continue to be applied in those instances involving a serious offense that carries substantial penalties for violation such as large fines and suspension or expulsion from membership.

Misrepresentations or omissions in communications to the Exchange or OCC and improper position adjustments that are neither willfully made nor of a material nature could be charged under new CBOE Rule 4.22. Offenses charged under proposed CBOE Rule 4.22 will allow the Exchange to fashion more appropriate disciplinary measures. A violation of proposed CBOE Rule 4.22 may be deemed minor in nature and therefore subject to summary fine. CBOE Rule 17.50 (Minor Rule Violation Fine Plan) is proposed to be amended to add a new fine schedule applicable to violations of proposed CBOE Rule 4.22. However, nothing in proposed CBOE Rule 4.22 shall prevent the Exchange, whenever it determines that any violation of that Rule is intentional, egregious, or otherwise not minor in nature, from proceeding under the Exchange's formal disciplinary rules.

The proposed rule changes are similar to existing rules at other exchanges that distinguish between willfully made false or misleading statements or omissions of material fact and other types of statements or omissions.³

2. Statutory Basis

The Exchange believes that the proposed rule change will advance the objectives of Section 6(b)(6) of the Act⁴ in that it will provide that Exchange members and persons associated with members shall be appropriately disciplined in those instances when a rule violation is minor in nature, but warrants a sanction more serious than a warning or cautionary letter. The Exchange believes that the proposed rule change provides a fair procedure for disciplining members and persons associated with members in accordance with the requirements of Sections 6(b)(7)⁵ and 6(d)(1)⁶ of the Act. Finally, the Exchange believes that the proposed rule change is consistent with and furthers the objectives of Section 6(b)(5) of the Act⁷ in that it is designed to prevent fraudulent and manipulative acts or practices, promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, and to protect investors and the public interest.

⁶ 15 U.S.C. 78f(d)(1).

⁷ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

A. By order approve such proposed rule change, or

B. Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street NW., Washington, DC 20549-0609. Room. Copies of such filing will also be available for inspection and copying at the principal office of the CBOE. All submissions should refer to file number SR-CBOE-2003-54 and should be submitted by February 3, 2004.
