

and products containing same by reason of infringement of claims 1–12 of U.S. Patent No. 5,464,709. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The Commission named as respondents 26 companies located in the United States, China, Indonesia, and Japan.

On November 26, 2003, complainants and one respondent, Monster Cable Products, Inc. (“Monster Cable”), jointly moved for termination of the investigation as to Monster Cable on the basis of a settlement agreement and a proposed consent order. On December 8, 2003, the Commission investigative attorney filed a response supporting the motion for termination. No party opposed the motion for termination. The ALJ issued the subject ID on December 18, 2003, terminating the investigation as to Monster Cable on the basis of the consent order.

No party petitioned for review of the ID pursuant to 19 CFR 210.43(a), and the Commission found no basis for ordering a review on its own initiative pursuant to 19 CFR 210.44. The ID thus became the determination of the Commission pursuant to 19 CFR 210.42(h)(3). The Commission notes that the reference to “FDK” on line 16, page 4 of the ID should be “Monster.”

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and Commission rule 210.42, 19 CFR 210.42.

Issued: January 13, 2004.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.
