Applications under this program are not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

Limitation of Liability

Funding for the program listed in this notice is contingent upon the availability of Fiscal Year 2004 appropriations. NOAA issues this notice subject to the appropriations made available under the current continuing resolution, H.J. NOAA, the Service, and MARAD anticipate making awards for the program listed in this notice provided that funding for the program is continued beyond January 31, 2004, the expiration of the current continuing resolution. In no event will NOAA, the Service, or MARAD be responsible for proposal preparation costs if this program fails to receive funding or is cancelled because of other agency priorities. Publication of this announcement does not oblige NOAA, the Service, or MARAD to award any specific project or to obligate any available funds.

Universal Identifier

Applicants should be aware that, for programs that have deadline dates on or after October 1, 2003, they will be required to provide a Dun and Bradstreet Data Universal Numbering System (DUNS) number during the application process. See the June 27, 2003 (68 FR 38402) **Federal Register** notice for additional information. Organizations can receive a DUNS number at no cost by calling the dedicated toll-free DUNS Number request line at 1-866-705-5711 or via the Internet (<http://www.dunandbradstreet.com>).

Administrative Procedure Act/Regulatory Flexibility Act

Prior notice and an opportunity for public comment are not required by the Administrative Procedure Act or any other law for rules concerning public property, loans, grants, benefits, and contracts (5 U.S.C. 553(a)(2)).
