SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 87; SEC File No. 270-474; OMB Control No. 3235-0552.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Information relevant to Rule 87 (17 CFR 250.87) under the Public Utility Holding Company Act of 1935 (15 U.S.C. 79a *et seq.*) ("Act") is required to be reported under Item 8 of Form U5-S. Item 8 of Form U5-S requires reporting of any recurring goods and service transactions in excess of \$100,000 provided by an electric or gas utility to any associate company under Rule 87(a)(3). Item 8 of Form U5-S also requires reporting of any goods and

service transactions in excess of \$100,000 by any non-utility subsidiary to any associate company under Rule 87 (b)(1). It is estimated that the total number of respondents is 200. The average number of responses per respondent is 1 response annually. The burden of responding is accounted for primarily through Form U5-S. To account for administrative time, the Commission estimates that the total annual reporting burden under rule 87 is 1 hour per respondent.

These estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms. There is no requirement to keep the information in the forms confidential because it is public information.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Form U-1; SEC File No. 270-128; OMB Control No. 3235-0125.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995

(44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Under rule 20(c) of the Act, Form U-1 must be used by any person filing for amending an application or declaration under sections 6(b), 7, 9(c)(3), 10, 12(b), (c), (d), or (f) of the Act. The form must also be used for filings under any rule under other sections of the Act for which a form is not prescribed. The Commission estimates that the total annual reporting and recordkeeping burden is 24,753 (111 annual responses \times 223 hours = 24,753 burden hours). This represents a decrease of 2,684 hours annually in the paperwork burden from the prior estimate, and this decrease was caused by a decrease in the number of annual responses. The Commission needs the information because rule 20(c) requires it. The Commission uses this information to determine the existence of detriment to the interests the Act was designed to protect. Compliance with the requirements to provide the information is mandatory. The information will not be kept confidential.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 1(c) and Form U5S; SEC File No. 270-168; OMB Control No. 3235-0164.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Under rule 1(c) and section 14 of the Public Utility Holding Company Act of 1935 ("Act"), Form U5S must be filed annually by all registered holding companies. Form U5S contains broad ranging information such as a description of system companies, acquisitions and sales of utility assets, securities transactions, and other information necessary for the staff to ascertain compliance with the Act. The Commission estimates that the total annual reporting and recordkeeping burden is 445.5 (28 original annual responses plus 5 amendments \times 13.5 hours = 445.5 burden hours). This represents an increase of 189 hours annually in the paperwork burden from the prior estimate, and this increase was caused by an increase in the number of registered holding companies over the period as well as the need for some registrants to make a subsequent amendment to the Form U5S due to the inadequacy of their original filing. The Commission needs the information because rule 1(c) requires it. The Commission uses this information to determine the existence of detriment to the interests the Act was designed to protect. Compliance with the requirements to provide the information is mandatory. The information will not be kept confidential.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate

is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
