

<sup>2</sup>If one of the above named companies does not qualify for a separate rate, all other exporters of honey from the People's Republic of China who have not qualified for a separate rate are deemed to be covered by this review as part of the single PRC entity of which the named exporters are a part.

<sup>3</sup>In the countervailing duty investigation of Honey from Argentina, the Department solicited information from the Government of Argentina (GOA) on an aggregate or industry-wide basis in accordance with section 777A(e)(2)(B) of the Act, rather than from individual producers and exporters, due to the large number of producers and exporters of Honey in Argentina. See *Final Affirmative Countervailing Duty Determination: Honey from Argentina*, 66 FR 50613-01 (October 4, 2001). In accordance with section 351.213(b) of the regulations, the GOA and the petitioners have requested an administrative review of this countervailing duty order. No individual exporters requested the review pursuant to section 351.213(b) of the regulations. Accordingly, the Department will be conducting the review of this order on an aggregate basis.

During any administrative review covering all or part of a period falling between the first and second or third and fourth anniversary of the publication of an antidumping duty order under section 351.211 or a determination under section 351.218(f)(4) to continue an order or suspended investigation (after sunset review), the Secretary, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review, will determine whether antidumping duties have been absorbed by an exporter or producer subject to the review if the subject merchandise is sold in the United States through an importer that is affiliated with such exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305.

These initiations and this notice are in accordance with section 751(a) of the Tariff Act of 1930, as amended (19 U.S.C. 1675(a)), and 19 CFR 351.221(c)(1)(i).

Dated: January 15, 2004.

#### **Background**

On August 27, 2002, the Department published a notice of initiation of a review of SSSS from Taiwan covering the period July 1, 2001 through June 30, 2002. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 67 FR 55000 (August 27, 2002). On August 6, 2003, the Department published the preliminary results of review. See *Stainless Steel Sheet and Strip in Coils From Taiwan: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 68 FR 46582 (August 6, 2003), ("Preliminary Results"). In the *Preliminary Results*, the Department stated that it would make its final determination for the antidumping duty administrative review no later than 120 days after the date of publication of the *Preliminary Results*, or not later than December 4, 2003. #### **Extension of Time Limit for the Final Results of Review**

Section 751(a)(3)(A) of the Act states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Completion of the final results

within the 120-day period is not practicable for the following reasons: (1) This review requires the Department to analyze YUSCO's corporate affiliations and relationships; (2) This review involves certain complex issues which were raised by petitioners after the verification and after the preliminary results of review; and (3) The review involves a large number of transactions and complex adjustments.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by 17 days until February 2, 2004.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: January 16, 2004.
