The survey, which has been conducted annually since 1974, is designed to collect information on the number of employees, payroll, geographic location, current operational status, and kind of business for the establishments of multilocation companies. We have determined that annual data collected from this survey are needed to aid the efficient performance of essential governmental functions and have significant application to the needs of the public and industry. The data

derived from this survey are not available from any other source.

**FOR FURTHER INFORMATION CONTACT:** Paul Hanczaryk, Economic Planning and Coordination Division, U.S. Census Bureau, Room 2747, Federal Building 3, Washington, DC 20233-6100, telephone (301) 763-4058.

**SUPPLEMENTARY INFORMATION:** Title 13, United States Code, sections 182, 195, 224, and 225 authorize the Census Bureau to undertake surveys necessary to furnish current data on the subjects covered by the major censuses. The data collected in this survey will be within the general scope, type, and character of those that are covered in the economic censuses. Form NC-99001 will be used to collect the desired data.

Notwithstanding any other provision of law, no person is required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a current, valid Office of Management and Budget (OMB) control number. ### International Trade Administration

#### **Carbon and Certain Alloy Steel Wire Rod from Canada: Final Results of Countervailing Duty Changed Circumstances Review and Revocation of Countervailing Duty Order, in Whole**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce

**ACTION:** Notice of Final Results of Changed Circumstances Review of the Countervailing Duty Order and Revocation of Countervailing Duty Order, in Whole.

**SUMMARY:** On November 3, 2003, in response to a request by domestic producers of the subject merchandise, the Department of Commerce (the "Department") published a notice of initiation of a changed circumstances review with the intent to revoke, in whole, the countervailing duty order on carbon and certain alloy steel wire rod from Canada. See *Carbon and Certain Alloy Steel Wire Rod from Canada: Initiation of Countervailing Duty Changed Circumstances Review*, 68 FR 62282 (November 3, 2003) ("*Initiation Notice*").

On December 12, 2003, the Department published the preliminary results of the changed circumstances review of the countervailing duty order preliminarily finding that there was a reasonable basis to believe that changed circumstances exist sufficient to warrant revocation of the CVD order because domestic producers expressed no interest in continuation of the order. Therefore, the Department preliminarily revoked the order, in whole. See *Carbon and Certain Alloy Steel Wire Rod from Canada: Preliminary Results of Countervailing Duty Changed Circumstances Review and Intent to Revoke Order*, 68 FR 69384 (December 12, 2003) ("*Preliminary Results*"). We did not receive any comments on the *Preliminary Results* objecting to the revocation of this order, in whole, and thus conclude that substantially all

domestic producers lack interest in the relief provided by this order.

Accordingly, we are revoking the countervailing duty order on carbon and certain alloy steel wire rod from Canada.

**DATES:** January 23, 2004.

**FOR FURTHER INFORMATION CONTACT:** S. Anthony Grasso, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-3853.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

The Department published the countervailing duty ("CVD") order on carbon and certain alloy steel wire rod from Canada on October 22, 2002. See *Notice of Countervailing Duty Orders: Carbon and Certain Alloy Steel Wire Rod from Brazil and Canada*, 67 FR 64871 (October 22, 2002). On October 1, 2003, the Department received a request from Georgetown Steel Company (formerly GS Industries), Gerdau Ameristeel US Inc. (formerly Co-Steel Raritan), Keystone Consolidated Industries, Inc., and North Star Steel Texas, Inc., the petitioners in the original investigation, that the Department initiate a changed circumstances review for purposes of revoking the CVD order. The basis for the petitioners' request is that they are no longer interested in maintaining the CVD order or in the imposition of CVD duties on the subject merchandise from Canada.

On November 3, 2003, the Department published a notice of initiation of a changed circumstances review of the CVD order on carbon and certain alloy steel wire rod products from Canada. See *Initiation Notice*, 68 FR 62282. In the *Initiation Notice*, we provided interested parties an opportunity to submit comments for consideration in the Department's preliminary results. The Department did not receive any comments within the time limits established. On November 18, 2003, a respondent to the original proceeding, Ispat Sidbec, Inc. ("Ispat"), submitted a letter to the Department stating that "all three parties wish to advise the Department that they agree to the outcome of the review and, further, request that, pursuant to 19 CFR 351.216(e), the Department render its final results of review within 45 days of initiation of the review or sooner." Ispat claimed its letter represented the position of the only parties to the proceeding, namely, Ispat, the Government of Quebec, and the U.S.
