DATES: An emergency review has been requested in accordance with the Act (44 U.S.C. Chapter 3507 (j)), since public harm is reasonably likely to result if normal clearance procedures are followed. Approval by the Office of Management and Budget (OMB) has been requested by February 9, 2004. A regular clearance process is also beginning. Interested persons are invited to submit comments on or before March 29, 2004.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Federal Student Aid

Type of Review: New Collection.

Title: Pell Grant reporting under the Common Origination and Disbursement (COD) system.

Abstract: The Federal Pell Grant Program is a student financial assistance program authorized under the Higher Education Act of 1965 (HEA), as amended. This program provides grant assistance to an eligible student attending an institution of higher education. The institution determines the student's award (based on a formula established in statute) and disburses program funds to the student on behalf of the Department (ED). To account for the funds disbursed, institutions report student payment information to ED electronically. Electronic reporting was formerly done through the Recipient Financial Management System (RFMS), but is now done through the Common Origination and Disbursement (COD) system. COD is a simplified process for requesting, reporting, and reconciling Pell Grant funds.

SUPPLEMENTARY INFORMATION: An emergency request for clearance has been requested for approval by February 9, 2004. Collection activity for this collection is ongoing. Approval is requested to ensure that program funding could be disbursed to students.

Frequency: On Occasion; Monthly.

Affected Public: Not-for-profit institutions (primary), Businesses or other for-profit, State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 5,000,000.

Burden Hours: 350,000.
