FOR FURTHER INFORMATION CONTACT: Linda Tribby, Departmental Quarters Program Manager, telephone (202) 219–0728.

SUPPLEMENTARY INFORMATION:

Title: Private Rental Survey.
OMB Control Number: 1084–0033.
Bureau Form Number: OS–2000 and OS–2001.

Abstract: Public Law 88–459 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A–45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Quarters (GFQ) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, PAM conducts housing surveys in support of quarters management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Defense, Justice, Transportation, Treasury, Health and Human Services, and Veterans Affairs. This collection of information provides data that helps DOI as well as other Federal agencies to manage GFQ in compliance with the requirements of OMB Circular A–45 (Revised). If the collection activity were not performed, there would be no basis for determining open market rental costs for GFQ.

On November 21, 2003, we published a **Federal Register** notice (volume 68, Number 225, page 65726–65727) with the required 60-day comment period announcing that we would submit this collection of information to OMB for approval. We received no comments in response to the notice.

Frequency of Collection: We survey each of 15 regions every fourth year, surveying three to four regions each year.
