SUPPLEMENTARY INFORMATION: The Census Bureau's 20 PIAs were submitted during the fiscal year 2005 budget process. The PIAs cover privacy, confidentiality, security, and data access and dissemination issues.

PIAs are designed to help us carry-out our mission and to help us meet our legal requirements. Our mission is to collect high-quality data and our legal requirement is to protect the confidentiality of identifiable data. The Census Bureau PIAs do this by assessing programs against the Data Stewardship program, Privacy Principles, and supporting policies.

The purpose of PIAs is to ensure that no collection, storage, access, use, or dissemination of identifiable personal information occurs without proof of need and purpose and to ensure that appropriate security procedures and controls on the use of the data are in place. The PIAs offered the Census Bureau an opportunity to affirm that it is using its legal and policy protections to ensure that data are being collected and used in a manner that honors privacy and protects confidentiality while producing the highest quality statistical data products for the Nation.

A full PIA was conducted on each program that contains, at some point in the collection and processing activities, Personally Identifiable Information (PII), Identifiable Business Information (IBI), or both. Identifiable information is defined as information that actually identifies people or businesses. Examples of PII include name, address, or social security number. Examples of IBI include employer identification number or e-mail address.

ACTION: Notice of Extension of Time Limits.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the preliminary results of the 2002-2003 administrative review of the antidumping duty order on pistachios from Iran. This review covers one exporter of the subject merchandise to the United States and the period July 01, 2002 through June 30, 2003.

EFFECTIVE DATE: February 5, 2004.

FOR FURTHER INFORMATION CONTACT: Phyllis Hall at (202) 482-1398 or Donna Kinsella at (202) 482-0194, Antidumping and Countervailing Duty Enforcement Group III, Office Eight, Import Administration, International

Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION: On August 22, 2003, in response to requests to conduct administrative reviews of various antidumping and countervailing duty orders and findings with July anniversary dates, we published a notice of initiation of this administrative review in the Federal Register. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 50750. This review involves one exporter, Tehran Negah Nima Trading Company.

Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), the current deadlines are April 1, 2004 for the preliminary results and July 30, 2004 for the final results. It is not practicable to complete this review within the normal statutory time limit due to the complexity of gathering information for constructed value (CV) and CV profit in Iran. Therefore, the Department is extending the time limit for completion of the preliminary results until July 30, 2004 in accordance with section 751(a)(3)(A) of the Tariff Act. The deadline for the final results of this review will continue to be 120 days after publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Tariff Act (19 U.S.C. 1675 (a)(3)(A) (2003)).

Dated: January 30, 2004.

Light-Walled Rectangular Pipe and Tube from Mexico and Turkey: Notice of Postponement of Preliminary Antidumping Duty Determinations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of postponement of preliminary antidumping duty determinations in antidumping investigations.

EFFECTIVE DATE: February 5, 2004.

FOR FURTHER INFORMATION CONTACT:

Maisha Cryor and Mark Manning at (202) 482-5831, (202) 482-5253, respectively; Office 4, Group 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUMMARY: The Department of Commerce (the Department) is postponing the preliminary determinations in the antidumping investigations on light-walled rectangular pipe and tube from Mexico and Turkey from February 16, 2004, until April 6, 2004. This postponement is made pursuant to section 733(c)(1)(B) of the Tariff Act of 1930, as amended (the Act).

SUPPLEMENTARY INFORMATION:**Background**

On September 29, 2003, the Department initiated the above-referenced investigations. See Notice of Initiation of Antidumping Duty Investigations: Light-Walled Rectangular Pipe and Tube from Mexico and Turkey, 68 FR 57667 (October 6, 2003).

Postponement of Preliminary Determination

Currently, the preliminary determinations are due no later than February 16, 2004. Under section 733(c)(1)(B) of the Act, the Department can extend the period for reaching a preliminary determination until not later than the 190th day after the date on which the administering authority initiates an investigation if:

- (B) The administering authority concludes that the parties concerned are cooperating and determines that
- (i) the case is extraordinarily complicated by reason of
 - (I) the number and complexity of the transactions to be investigated or adjustments to be considered;
 - (II) the novelty of the issues presented; or
 - (III) the number of firms whose activities must be investigated; and
 - (ii) additional time is necessary to make the preliminary determination.

The parties concerned are cooperating in these investigations. Additional time is necessary, however, to complete the preliminary determinations for Mexico and Turkey due to (1) the number and complexity of the transactions to be investigated and adjustments to be considered, (2) certain affiliation issues in both cases involving multiple respondents, and (3) the novelty of issues presented. Moreover, with respect to each Mexican respondent, the Department received, on January 9, 2004, allegations that sales were made

below the cost of production during the period of investigation. We are currently reviewing these allegations. Therefore, for both investigations, additional time is required to review the issues and the cost information for purposes of the preliminary determinations.

Pursuant to section 733(c)(1)(B) of the Act, we have determined that these investigations are "extraordinarily complicated." We are, therefore, postponing the preliminary determinations by 50 days to April 6, 2004.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(2).

Dated: January 28, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Background

On March 7, 2002, the Department of Commerce ("the Department")

published an antidumping duty order on stainless steel bar from Italy. See *Notice of Antidumping Duty Order: Stainless Steel Bar from Italy*, 67 FR 10384 (March 7, 2002). On October 10, 2003, the Department published an amended antidumping duty order on stainless steel bar from Italy. See *Notice of Amended Antidumping Duty Orders: Stainless Steel Bar from France, Germany, Italy, Korea, and the United Kingdom*, 68 FR 58660 (October 10, 2003).

On March 3, 2003, the Department published in the **Federal Register** an *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, (68 FR 9974). On March 26, in accordance with 19 CFR 351.213(b), the Department received timely requests for administrative reviews of this order from two producers/exporters of the subject merchandise, Foroni S.p.A ("Foroni") and Cogne Acciai Speciali S.r.l. ("Cogne"), respectively. On March 31, 2003, Carpenter Technology Corp., Crucible Specialty Metals Division of Crucible Materials Corp., Electralloy Corp., Slater Steels Corp., Empire Specialty Steel and the United Steelworkers of America (AFL-CIO/CLC) (collectively, "petitioners") requested an administrative review for Foroni and Ugine Savoie-Imphy S.A ("Ugine"). On April 14, 2003, Cogne withdrew its request for an administrative review.

In accordance with 19 CFR 351.221(b)(1), we published a notice of initiation of this antidumping duty administrative review on April 21, 2003. See *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 68 FR 19498 (April 21, 2003). The period of this review ("POR") is August 2, 2001, through February 28, 2003.

Antidumping duty questionnaires were sent to Foroni and Ugine on May 7, 2003. We received timely responses from Foroni on June 12 and July 8, 2003. Ugine did not file a response to our questionnaire (see "Facts Available" section below for further details). We issued supplemental questionnaires to Foroni on September 11 and October 6, 2003. We received responses from Foroni on September 30 and October 21, 2003, respectively.

On October 28, 2003, in accordance with section 751(a)(3)(A) of the Act, we published a notice extending the time limit for the completion of the preliminary results in this case by 60 days (*i.e.*, until no later than January 30, 2004). See *Stainless Steel Bar from Germany and Italy: Notice of Extension of Time Limit for 2001-2003*
