SUPPLEMENTARY INFORMATION: The Census Bureau's 20 PIAs were submitted during the fiscal year 2005 budget process. The PIAs cover privacy, confidentiality, security, and data access and dissemination issues.

PIAs are designed to help us carry-out our mission and to help us meet our legal requirements. Our mission is to collect high-quality data and our legal requirement is to protect the confidentiality of identifiable data. The Census Bureau PIAs do this by assessing programs against the Data Stewardship program, Privacy Principles, and supporting policies.

The purpose of PIAs is to ensure that no collection, storage, access, use, or dissemination of identifiable personal information occurs without proof of need and purpose and to ensure that appropriate security procedures and controls on the use of the data are in place. The PIAs offered the Census Bureau an opportunity to affirm that it is using its legal and policy protections to ensure that data are being collected and used in a manner that honors privacy and protects confidentiality while producing the highest quality statistical data products for the Nation.

A full PIA was conducted on each program that contains, at some point in the collection and processing activities, Personally Identifiable Information (PII), Identifiable Business Information (IBI), or both. Identifiable information is defined as information that actually identifies people or businesses. Examples of PII include name, address, or social security number. Examples of IBI include employer identification number or e-mail address.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Extension of Time Limits.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the preliminary results of the 2002-2003 administrative review of the antidumping duty order on pistachios from Iran. This review covers one exporter of the subject merchandise to the United States and the period July 01, 2002 through June 30, 2003.

EFFECTIVE DATE: February 5, 2004.

FOR FURTHER INFORMATION CONTACT: Phyllis Hall at (202) 482-1398 or Donna Kinsella at (202) 482-0194, Antidumping and Countervailing Duty Enforcement Group III, Office Eight, Import Administration, International

Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION: On August 22, 2003, in response to requests to conduct administrative reviews of various antidumping and countervailing duty orders and findings with July anniversary dates, we published a notice of initiation of this administrative review in the Federal Register. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 50750. This review involves one exporter, Tehran Negah Nima Trading Company.

Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), the current deadlines are April 1, 2004 for the preliminary results and July 30, 2004 for the final results. It is not practicable to complete this review within the normal statutory time limit due to the complexity of gathering information for constructed value (CV) and CV profit in Iran. Therefore, the Department is extending the time limit for completion of the preliminary results until July 30, 2004 in accordance with section 751(a)(3)(A) of the Tariff Act. The deadline for the final results of this review will continue to be 120 days after publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Tariff Act (19 U.S.C. 1675 (a)(3)(A) (2003)).

Dated: January 30, 2004.
