

market funds from including a portfolio schedule in reports to shareholders, provided that the complete portfolio schedule is filed with the Commission and available to shareholders upon request; (4) require a registered management investment company to include a tabular or graphic presentation of a fund's portfolio holdings in its reports to shareholders; and (5) require a registered open-end management investment company to include Management's Discussion of Fund Performance in its annual report to shareholders.

For further information, please contact Christopher Kaiser at (202) 942-0724.

3. The Commission will consider whether to propose amendments to Schedule 14A under the Securities Exchange Act of 1934, and to Forms N-1A, N-2, and N-3 under the Securities Act of 1933 and the Investment Company Act of 1940. The proposals would require a registered management investment company to provide disclosure in its reports to shareholders regarding the basis for the board of directors' approval of an investment advisory contract. They would also enhance existing disclosure requirements in the registration statements of registered management investment companies and in proxy statements regarding the basis for the board's approval of, or recommendation that shareholders approve, an investment advisory contract.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49172; File No. SR-CBOE-2004-06]

Self-Regulatory Organizations; Notice of Filing and Order Granting Accelerated Approval of Proposed Rule Change by the Chicago Board Options Exchange, Inc. Relating to the Extension of a Linkage Fee Pilot Program

February 2, 2004.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 2, 2004, the Chicago Board Options Exchange, Inc. ("Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons and is approving the proposed rule change on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to extend the current pilot program for six months until July 31, 2004 applicable to Options Intermarket Linkage ("Linkage") fees.

The proposed fee schedule is available at the Exchange and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange's current fee structure for Principal ("P") and Principal Acting as Agent ("P/A") Orders³ executed on the Exchange is operating under a pilot program scheduled to expire on January 31, 2004.⁴ Currently, because all Linkage Orders received by CBOE are for the account of a broker-dealer market maker on another exchange, the fees applicable to P and P/A Orders are the same as fees applicable to market makers on other exchanges that submit orders to CBOE outside of the Linkage, taking into account how those orders are handled at CBOE. The Exchange now proposes to extend the pilot program to July 31, 2004.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of dues, fees and charges is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act⁶ in particular, in that it is an equitable allocation of reasonable dues, fees, and other charges.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

³ Under the Plan and Exchange Rule 6.80(12) which tracks the language of the Plan, a "Linkage Order" means an Immediate or Cancel order routed through the Linkage as permitted under the Plan for the Purpose of Creating and Operating an Options Intermarket Linkage. There are three types of Linkage Orders:

(i) "P/A Order," which is an order for the principal account of a specialist (or equivalent entity on another Participant Exchange that is authorized to represent Public Customer orders), reflecting the terms of a related unexecuted Public Customer order for which the specialist is acting as agent;

(ii) "P Order," which is an order for the principal account of an Eligible Market Maker and is not a P/A Order; and

(iii) "Satisfaction Order," which is an order sent through the Linkage to notify a member of another Participant Exchange of a Trade-Through and to seek satisfaction of the liability arising from that Trade-Through.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received with respect to the proposed rule change.

III. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments may also be submitted electronically at the following e-mail address: *rule-comments@sec.gov*. All comment letters should refer to File No. SR-CBOE-2004-06. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, comments should be sent in hardcopy or by e-mail but not by both methods. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submissions should be submitted by March 1, 2004.

IV. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder, applicable to a national securities exchange,⁷ and, in particular, with the requirements of Section 6(b) of the Act⁸ and the rules and regulations thereunder. The Commission finds that the proposed rule change is consistent with Section

6(b)(4) of the Act,⁹ which requires that the rules of the Exchange provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Commission believes that the extension of the CBOE's Linkage fee pilot until July 31, 2004 will give the Exchange and the Commission further opportunity to evaluate whether such fees are appropriate.

The Commission finds good cause, pursuant to Section 19(b)(2) of the Act,¹⁰ for approving the proposed rule change prior to the thirtieth day after the date of publication of the notice of the filing thereof in the **Federal Register**. The Commission believes that granting accelerated approval will preserve the Exchange's existing pilot program for Linkage fees without interruption as the CBOE and the Commission further consider the appropriateness of Linkage fees.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹¹ that the proposed rule change (SR-CBOE-2004-06) is hereby approved on an accelerated basis for a pilot period to expire on July 31, 2004.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹²

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49169; File No. SR-NASD-2003-178]

Self-Regulatory Organizations; Order Granting Approval of Proposed Rule Change by the National Association of Securities Dealers, Inc. To Modify Certain Listing Fees for Foreign Issuers and To Make a Technical Change to the Rule Pertaining to Record-Keeping Fees for Issuers Listed on the Nasdaq SmallCap Market

February 2, 2004.

On December 3, 2003, the National Association of Securities Dealers, Inc. ("NASD" or "Association"), through its subsidiary, the Nasdaq Stock Market, Inc. ("Nasdaq"), filed with the Securities and Exchange Commission ("Commission"), pursuant to Section

19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to modify certain listing fees for foreign issuers and to make a technical change to the rule that pertains to record-keeping fees for issuers listed on The Nasdaq SmallCap Market.

The proposed rule change was published for comment in the **Federal Register** on December 15, 2003.³ The Commission received no comments on the proposal. This order approves the proposed rule change.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association.⁴ In particular, the Commission believes that the proposed rule change is consistent with section 15A(b)(5) of the Act,⁵ in particular, in that the proposal provides for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system which the NASD operates or controls. Specifically, the Commission believes that the revised fee schedules should reduce the current disparity in the entry and annual fees that are paid by Nasdaq issuers.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁶ that the proposed rule change (SR-NASD-2003-178) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷

Margaret H. McFarland,

Deputy Secretary.
