

been raised by the protesting party or others. New issues may not be brought into the record at the protest stage. The 30-day period for filing a plan protest begins when the Environmental Protection Agency publishes in the **Federal Register** its Notice of Availability of the final environmental impact statement containing the PRMP/FEIS. There is no provision for any extension of time. To be considered "timely," your protest, along with all attachments, must be postmarked no later than the last day of the protest period. A letter of protest must be filed in accordance with the planning regulations, 43 CFR 1610.5-2(a)(1). Protests must be in writing. E-mail and faxed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, BLM will consider the e-mail or faxed protest as an advance copy and it will receive full consideration. If you wish to provide BLM with such advance notification, please direct faxed protests to the attention of the BLM protest coordinator at 202-452-5112, and e-mails to *Brenda\_Hudgens-Williams@blm.gov*. If sent by regular mail, send to: Director (210), Attention: Brenda Williams, P.O. Box 66538, Washington DC 20035. For overnight (*i.e.*, Federal Express) mailing, send protests to: Director (210), Attention: Brenda Williams, 1620 L Street, NW., Suite 1075, Washington, DC 20036. In order to be considered complete, your protest must contain, at a minimum, the following information:

1. the name, mailing address, telephone number, and interest of the person filing the protest.
2. A statement of the issue or issues being protested
3. A statement of the part or parts of the PRMP/FEIS being protested. To the extent possible, this should be done by reference to specific pages, paragraphs, sections, tables, maps, etc., included in the document.
4. A copy of all documents addressing the issue or issues that you submitted during the planning process, or a reference to the date the issue or issues were discussed by you for the record.
5. A concise statement explaining why the Colorado BLM State Director's proposed decision is believed to be incorrect. This is a critical part of your protest. Take care to document relevant facts.

As much as possible, reference or cite the planning documents, environmental analysis documents, or available planning records (*i.e.*, meeting minutes

or summaries, correspondence, *etc.*) A protest that merely expresses disagreement with the Colorado BLM State Director's proposed decision, without any data, will not provide us with the benefit of your information and insight. In this case, the Director's review will be based on the existing analysis and supporting data. At the end of the 30-day protest period and after the Governor's consistency review, the PRMP/FEIS, excluding any portions under protest, will become final. Approval will be withheld on any portion of the PRMP/FEIS under protest until final action has been completed on such protest.
