Comments

NMSP would like public comments on the following:

1. Comments about the scope of issues that should be evaluated in a NEPA document concerning this proposal;
2. Comments regarding the expected impacts of this artificial reef project on the marine environment of the FKNMS and the overall significance of those impact;
3. Recommendations on mitigation measures and permit conditions that would eliminate or minimize any impacts of this project on the FKNMS or the environment generally should the permit be issued; and

4. Recommendations for specific monitoring programs or plans that would allow the NMSP to know the benefits (or lack thereof) of the project to FKNMS management, the impacts of the project on FKNMS resources, and the stability of the vessel.

BILLING CODE 3810-FF-P

DEPARTMENT OF ENERGY

Notice of Reestablishment of the Electricity Advisory Board

Pursuant to section 14 (a)(2)(A) of the Federal Advisory Committee Act and in accordance with title 41 of the Code of Federal Regulations, section 102-3.65, and following consultation with the Committee Management Secretariat of the General Services Administration, notice is hereby given that the Electricity Advisory Board (the Board) has been reestablished for a two-year period, beginning in February 2004.

The Board will continue to provide balanced and authoritative advice to the Secretary of Energy on matters concerning electricity policy issues of concern to the Department; Department electricity programs and initiatives; current and future capacity of the electricity system (generation, transmission, and distribution), regionally and nationally; identification of issues related to capacity, production, delivery, reliability, and utility deregulation/restructuring and recommendations on policy and Department initiatives to deal with issues identified; coordination between the Department and state and regional officials and the private sector on matters affecting electricity supply and reliability; as well as coordination between Federal, State, and utility industry authorities in the event of supply disruption or other emergencies related to electricity generation and distribution.

The Board members are selected to assure well-balanced representation in areas relating to energy policy, renewable energy, environmental science, economics, business expertise and broad public policy interests. Membership of the Board will continue to be determined in accordance with the requirements of the Federal Advisory Committee Act (Pub. L. 92-463) and implementing regulations.

The renewal of the Board has been determined to be in the public interest, important and vital to the conduct of the Department's business. The Board will operate in accordance with the provisions of the Federal Advisory Committee Act (Pub. L. 92-463), the General Services Administration Final Rule on Federal Advisory Committee Management, and other directives and instructions issued in implementation of those acts.

DEPARTMENT OF ENERGY

National Energy Technology Laboratory; Notice of Availability of a Funding Opportunity Announcement

AGENCY: National Energy Technology Laboratory, Department of Energy (DOE).

ACTION: Notice of availability of a Funding Opportunity Announcement.

SUMMARY: Notice is hereby given of the intent to issue Funding Opportunity Announcement No. DE-PS26-04NT42066 entitled "Epidemiology and Toxicology of Primary and Secondary Particulate Matter Emissions from Coal-Fired Power Plants." The DOE/NETL is seeking applications to conduct research that will provide greater insight into the human health effects that may result from inhaling primary or secondary fine particulate matter (PM2.5) from coal-fired electric power generating facilities.

DATES: The funding opportunity announcement will be available on the "Industry Interactive Procurement System" (IIPS) webpage located at <http://e-center.doe.gov> on or about February 13, 2004. Applicants can obtain access to the funding opportunity announcement from the address above

or through DOE/NETL's Web site at <http://www.netl.doe.gov/business>.

ADDRESSES: Questions and comments regarding the content of the announcement should be submitted through the "Submit Question" feature of IIPS at <http://e-center.doe.gov>. Locate the announcement on IIPS and then click on the "Submit Question" button. You will receive an electronic notification that your question has been answered. Responses to questions may be viewed through the "View Questions" feature. If no questions have been answered, a statement to that effect will appear. You should periodically check "View Questions" for new questions and answers.

FOR FURTHER INFORMATION CONTACT: Larry D. Gillham, MS 921-107, U.S. Department of Energy, National Energy Technology Laboratory, P.O. Box 10940, 626 Cochran's Mill Road, Pittsburgh, PA 15236-0940, E-mail Address: Gillham@NETL.DOE.GOV, Telephone Number: 412-386-5817.

SUPPLEMENTARY INFORMATION: Through this solicitation, NETL seeks applications in the following two (2) separate (i.e., stand alone) Areas of Interest:

(1) Design and Feasibility Assessment of a Retrospective Epidemiology Study of Fine Particulate Matter (PM2.5) and its Components in Metropolitan Pittsburgh, PA.

(2) Toxicological Assessment of Coal Plant PM Emissions Under Realistic Exposure Scenarios.

Applicants must select and target only one (1) Area of Interest per application. DOE anticipates the award of one cost-sharing cooperative agreement for Area of Interest 1 and approximately 2 to 5 cost-sharing cooperative agreements under Area of Interest 2. Approximately \$4.8 to \$7.5 million of DOE funding is expected to be available for new awards under this announcement. A minimum of 20% cost share will be required for each award made under this announcement. Once released, the funding opportunity announcement will be available for downloading from the IIPS Internet page. At this Internet site you will also be able to register with IIPS, enabling you to submit an application. If you need technical assistance in registering or for any other IIPS function, call the IIPS Help Desk at (800) 683-0751 or e-mail the Help Desk personnel at IIPS_HelpDesk@e-center.doe.gov. The funding opportunity announcement will only be made available in IIPS, no hard (paper) copies of the funding opportunity announcement and related documents will be made available. Telephone

requests, written requests, e-mail requests, or facsimile requests for a copy of the funding opportunity announcement will not be accepted and/or honored. Applications must be prepared and submitted in accordance with the instructions and forms contained in the announcement. The actual funding opportunity announcement document will allow for requests for explanation and/or interpretation.

Issued in Pittsburgh, PA, on February 4, 2004.

Dale A. Siciliano,

Director, Acquisition and Assistance Division.
