This interim rule amends the FAR to implement Section 1443 of the Services Acquisition Reform Act of 2003 (Pub. L. 108-136). This rule increases the amount of the micro-purchase threshold and the simplified acquisition threshold for procurements of supplies and services to support a contingency operation or to facilitate defense against or recovery from nuclear, biological, chemical, or radiological attack. Also, the head of the contracting activity carrying out a procurement of supplies or services to facilitate defense against or recovery from nuclear, biological, chemical, or radiological attack may treat such supplies or services as a commercial item.
