Rules Relating to the Operations and Activities of Commodity Pool Operators and Commodity Trading Advisors and to Monthly Reporting by Futures Commission Merchants, OMB Control No. 3038-0005-Extension

Part 4 of the Commission's Regulations set forth the Commission's rules regarding the disclosure of risk, the filing of reports, and the keeping of books and records. Each CPO who is registered or required to be registered and solicits prospective participants in a commodity pool must, absent an exemption, deliver to prospective participants, and file with the NFA, a Disclosure Document containing information specified by 4.24 and 4.25 before the CPO may accept funds or other property in exchange for participation in the pool. CTAs also must comply with the disclosure requirements of 4.34 and 4.35 before they may enter into an agreement to direct or to guide a client's commodity interest trading account.

Rule 4.22 requires the CPOs who are registered or required to be registered also must provide pool participants with an unaudited monthly or quarterly Account statement for the pool, and an annual Report for the pool that contains the net asset value of the pool and Statements to Financial Condition, Income (Loss), Changes in Financial Position, and Changes in Ownership Equity. Rule 4.23 for CPOs, and 4.33 for CTAs provide for the types of books and records that must be maintained by these registrants.
