Needs and Uses: This form is used to obtain information on deceased debtors from probate courts. Probate courts review their records to see if an estate was established. They provide the name and address of the executor or lawyer handling the estate. From the information obtained, we submit a claim against the estate for the amount due the United States.

Affected Public: Clerks of Probate Courts.

Annual Burden Hours: 250 hours.

Number of Respondents: 3,000.

Responses Per Respondent: 1.

Average Burden Per Response: 5 minutes.

Frequency: When we are notified a debtor is deceased.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

Defense Finance and Accounting Service maintains updated debt accounts and initiates debt collection action for separated military members, out-of-service civilian employees, and other individuals not on an active federal government payroll system. When notice is received that an individual debtor is deceased, an effort is made to ascertain whether the decedent left an estate by contacting clerks of probate courts. If it's determined that an estate was established, attempts are made to collect the debt from the estate. If no estate

appears to have been established the debt is written off as uncollectible.
