

(excluding from the order only merchandise "produced and exported" by a zero margin respondent).

If these preliminary results are adopted in the final results of this changed circumstances review, we will instruct CBP to continue to exclude shipments of subject merchandise produced and exported by the Stelco Group from the order and, for all merchandise produced but not exported by the Stelco Group to collect a cash deposit equal to the rate established for the exporter, or if the exporter does not have its own rate, the "all others" rate of 8.11 percent, effective as of the date of the final results of this changed circumstances review. Furthermore, for the period prior to the effective date of the final results of this changed circumstances review, we will instruct CBP to liquidate any entries of merchandise produced by Stelco, regardless of exporter, without regard to antidumping duties.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 25, 2004.

FOR FURTHER INFORMATION CONTACT: Paige Rivas or Sam Zengotitabengoa at (202) 482-0651 or (202) 482-4195, respectively; AD/CVD Enforcement, Office 4, Group II, Import Administration, Room 1870, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUMMARY: The Department of Commerce (the Department) is postponing the final determination in the antidumping duty investigation of floor-standing, metal-top ironing tables and certain parts thereof from the People's Republic of China.

SUPPLEMENTARY INFORMATION:

Postponement of Final Determination and Extension of Provisional Measures

On February 3, 2004, the Department published its affirmative preliminary determination of this antidumping duty investigation in the **Federal Register**. See *Notice of Preliminary Determination of Sales at Less Than Fair Value: Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof From the People's Republic of China*, 69 FR 5127 (February 3, 2004). This notice of preliminary determination states that the Department will issue its final determination no later than 75 days after the date on which the Department issued its preliminary determination.

Section 735(a)(2)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(b)(2)(ii) provide that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise. Additionally, the Department's regulations, at 19 CFR 351.210(e)(2), require that requests by respondents for postponement of a final determination be accompanied by a request for an extension of the

provisional measures from a four-month period to not more than six months.

On January 30, 2004, in accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), Shunde Yongjian Housewares Co., Ltd. (Yongjian), a mandatory respondent in this investigation, requested that the Department postpone its final determination. On February 3, 2004, Yongjian requested that the Department fully extend the provisional measures by 60 days in accordance with sections 733(d) of the Act and 19 CFR 351.210(e)(2). Accordingly, pursuant to section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), we are postponing the final determination until no later than 135 days after the publication of the preliminary determination in the **Federal Register** (*i.e.*, until no later than June 13, 2004), because: (1) The preliminary determination is affirmative, and therefore the exporters or producers have standing to request this postponement; and (2) the requesting exporter/producer accounts for a significant proportion of exports of the subject merchandise (*see* Memorandum from Thomas F. Futtner, Acting Office Director, Office 4, to Holly A. Kuga, Acting Deputy Assistant Secretary, Group II, "Respondent Selection Memorandum," dated September 10, 2003); and, (3) no compelling reasons for denial exist. Suspension of liquidation will be extended accordingly.

This notice of postponement is published pursuant to section 735(a) of the Act and 19 CFR 351.210(g).

Dated: February 19, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Notice of Extension of Time Limit of Final Results of New Shipper Review: Honey From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit of final results of antidumping duty new shipper review.

SUMMARY: The Department of Commerce is extending the time limit of the final results of the new shipper review of the

antidumping duty order on honey from the People's Republic of China until no later than March 25, 2004. The period of review is February 10, 2001, through November 30, 2002. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: February 25, 2004.

FOR FURTHER INFORMATION CONTACT:

Brandon Farlander at (202) 482-0182 or Dena Aliadinov at (202) 482-3362; Antidumping and Countervailing Duty Enforcement Group III, Office Eight, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Act requires the Department to issue the final results of a new shipper review within 90 days after the date on which the preliminary results were issued. However, if the Department determines the issues are extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend the deadline for the final results up to 150 days after the date on which the preliminary results were issued.

Background

On December 31, 2002, the Department received properly filed requests from Shanghai Xiuwei International Trading Co., Ltd. ("Shanghai Xiuwei") and Sichuan-Dujiangyan Dubao Bee Industrial Co., Ltd. ("Sichuan Dubao"), in accordance with section 751(a)(2)(B) of the Act and section 351.214(c) of the Department's regulations, for a new shipper review of the antidumping duty order on honey from the People's Republic of China (PRC), which has a December anniversary date, and a June semiannual anniversary date. Shanghai Xiuwei identified itself as an exporter of processed honey produced by its supplier, Henan Oriental Bee Products Co., Ltd. ("Henan Oriental"). Sichuan Dubao identified itself as the producer of the processed honey that it exports.

On February 5, 2003, the Department initiated this new shipper review for the period February 10, 2001 through November 30, 2002. See *Honey From the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews* (68 FR 5868, February 5, 2003). On July 21, 2003, the Department extended the preliminary results of this new shipper review 300 days until November 26, 2003. See *Honey From*

the People's Republic of China: Extension of Time Limits for Preliminary Results of New Shipper Antidumping Duty Review, 68 FR 43086 (July 21, 2003). On December 4, 2003, the Department published its preliminary results of this review. See *Notice of Preliminary Results of Antidumping Duty New Shipper Review: Honey From the People's Republic of China*, 68 FR 67832 (December 4, 2003) (*Preliminary Results*). In the preliminary results of this review, we indicated that we were unable to complete our analysis of all factors relevant to the *bona fides* of Shanghai Xiuwei's and Sichuan Dubao's U.S. sales. We described our research and contact efforts in the *Memorandum from Brandon Farlander and Dena Aliadinov to the File*, dated November 26, 2003. We also indicated that additional time was needed to research the appropriate surrogate values to value raw honey.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the final results of a new shipper review by 60 days if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated because of the issues pertaining to the *bona fides* of Shanghai Xiuwei's and Sichuan Dubao's U.S. sales, as well as the issues pertaining to the raw honey surrogate values. Accordingly, the final results of this new shipper review cannot be completed within the statutory time limit of 90 days. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of final results by an additional 30 days. The final results will now be due no later than March 25, 2004.

This notice is published pursuant to sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: February 18, 2004.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.

Industrial Nitrocellulose From Brazil: Notice of Initiation of Changed Circumstances Review and Consideration of Revocation of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of initiation of changed circumstances review.

SUMMARY: In accordance with 19 CFR 351.216(b), Nitro Quimica Brasileira, a Brazilian exporter of subject merchandise and an interested party in this proceeding, filed a request for a changed circumstances review of the antidumping duty order on industrial nitrocellulose from Brazil, as described below. In response to this request, the Department of Commerce is initiating a changed circumstances review of the antidumping duty order on industrial nitrocellulose from Brazil.

EFFECTIVE DATE: February 25, 2004.

FOR FURTHER INFORMATION CONTACT:

Michael J. Heaney or Robert James, AD/CVD Enforcement Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4475 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 10, 1990, the Department published in the **Federal Register** the antidumping duty order on industrial nitrocellulose from Brazil. See *Antidumping Duty Order: Industrial Nitrocellulose From Brazil*, 55 FR 28266 (July 10, 1990). On December 31, 2003, Nitro Quimica Brasileira (Nitro Quimica), a Brazilian exporter of subject merchandise and an interested party in this proceeding, requested that the Department revoke the antidumping duty order on industrial nitrocellulose from Brazil through a changed circumstances review. According to Nitro Quimica, revocation is warranted because of "lack of interest" on behalf of the U.S. industry. Specifically, Nitro Quimica asserts that no domestic producer of industrial nitrocellulose currently exists. Nitro Quimica asserts that Hercules Incorporated, the only petitioner in the original investigation and the only U.S. producer at the time in which this order was issued, sold its
