

any such fee, the Fund will publish additional information concerning the nature and amount of the fee.

D. Reporting: (a) *Reporting Requirements:* The Fund will collect information, on at least an annual basis, from all CDFI Program awardees including, but not limited to, an Annual Report that comprises the following components: (i) Financial Report; (ii) Performance Goals Report/Annual Survey; (iii) Financial Status Report (for TA awardees); (iv) Uses of Financial Assistance and Matching Funds Report; and (v) Explanation of Noncompliance (as applicable). Awardees are responsible for the timely and complete submission of the Annual Report, even if all or a portion of the documents actually are completed by another entity or signatory to the Assistance Agreement. If such other entities or signatories are required to provide Annual Surveys or Financial Reports, or other documentation that the Fund may require, the awardee is responsible for ensuring that the information is submitted timely and complete. The Fund reserves the right to contact such additional signatories to the Assistance Agreement and require that additional information and documentation be provided. The Fund will use such information to monitor each awardee's compliance with the requirements set forth in the Assistance Agreement and to assess the impact of the CDFI Program. The Performance Goals Report/Annual Survey must be submitted through the Fund's new web-based data collection system, the Community Investment Impact System (CIIS). All other components of the Annual Report may be submitted to the Fund in paper form. CIIS is currently under development and is expected to be operational in April 2004. The Fund reserves the right, in its sole discretion, to modify these reporting requirements if it determines it to be appropriate and necessary; however, such reporting requirements will be modified only after notice to awardees.

(b) *Accounting:* The Fund will require each awardee that receives FA and TA under this NOFA to account for and track the use of said FA and TA awards. This means that for every dollar of FA and TA received from the Fund, the awardee will be required to inform the Fund of its uses. This may require awardees to establish separate administrative and accounting controls, subject to the applicable OMB Circulars. OMB Circular A-110 (Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations) states that, as

applicable, recipients of Federal funds "must be able to account for the receipt, obligation, and expenditure of funds." Further, OMB Circular A-110 states that "Recipients shall maintain advances of Federal funds in interest bearing accounts unless (1), (2), or (3) apply:

(1) The recipient receives less than \$120,000 in Federal awards per year;

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash advances;

or

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources." The Fund will provide guidance to awardees outlining the format and content of the information to be provided on an annual basis, outlining and describing how the funds were used.
