

participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewers' position and intentions.

Vermont Yankee Nuclear Power Corp. v. NRDC, 435 U.S. 519,553 (1978). Also, environmental objections that could be raised at the draft environmental impact statement stage but are not raised until after completion of the final environmental impact statement may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F. 2d 1016, 1022 (9th Circuit, 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334,1338 (E.D. Wis. 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45-day comment period so that substantive comments and objections are made available to the Forest Service at a time when we can meaningfully consider them and respond to them in the Final EIS.

To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comment on the Draft EIS should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the Draft EIS. Comments may also address the adequacy of the Draft EIS or the merits of the alternatives formulated and discussed in the statement. (Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act, 40 CFR 1503.3 in addressing these points.)

The Final EIS is expected to be released December 10, 2004.

The Sanpete and Ferron/Price District Rangers, Manti-La Sal National Forest, are the responsible officials for the EIS. They will make a decision regarding this proposal, after considering the comments, responses, and environmental consequences discussed in the Final Environmental Impact Statement, and applicable laws, regulations, and policies. The reasons for the decision will be documented in a Record of Decision.

Dated: January 21, 2004.

Alice B. Carlton,

Forest Supervisor.

Natural Resources Conservation Service

Notice of Publication of the National Animal Agriculture Conservation Framework (NAACF)

AGENCY: Natural Resources Conservation Service, USDA.

ACTION: Notice of publication.

SUMMARY: The Natural Resources Conservation Service is announcing the publication of the National Animal Agriculture Conservation Framework (NAACF). The NAACF presents a blueprint for assisting livestock and poultry producers with their voluntary, proactive efforts to foster environmentally sound and economically viable production.

Location of the Document: The document can be found on the NRCS Homepage at: <http://www.nrcs.usda.gov/programs/afo>, or can be obtained by hard copy from the contact address listed.

FOR FURTHER INFORMATION, CONTACT:

Address all requests and comments to: Angel L. Figueroa, Natural Resources Specialist, Natural Resources Conservation Service, 5601 Sunnyside Avenue, Stop Code 5473, Beltsville, Maryland 20705; telephone: (301) 504-2225; fax: (301) 504-2264; e-mail: angel.figueroa@usda.gov.

SUPPLEMENTARY INFORMATION:

Addressing the conservation needs of America's livestock and poultry producers is a public policy priority. The 2002 Farm Bill made clear that producers should receive assistance to improve their operations' environmental performance, address Federal, tribal, State, and local environmental regulatory requirements, and maintain economically viable operations.

In January 2003, the NRCS Chief called for NRCS State Conservationists to work with their State Technical Committees to develop State Frameworks, with the objective of meeting the conservation challenges facing animal agriculture over the next 10 to 15 years. These State frameworks provided the foundation for the development of the NAACF. The NAACF recognizes that meaningful action will take place on farms and ranches across the Nation, and that programmatic objectives and concrete goals appropriately be established at the local level in a manner consistent with the authorized and required purposes and objectives of the underlying programs. The NAACF also envisions that these locally established goals,
