#### Notice of Extension of Time Limit of the Preliminary Results of Antidumping Duty Administrative Review: Stainless Steel Sheet and Strip in Coils from Italy

**AGENCY:** Import Administration,  
 International Trade Administration,  
 Department of Commerce.

**ACTION:** Notice of extension of time limit  
 of the preliminary results of the  
 antidumping duty administrative review  
 of stainless steel sheet and strip in coils  
 from Italy.

**SUMMARY:** The Department of Commerce  
 ("the Department") is extending the  
 time limit of the preliminary results of  
 the antidumping duty administrative  
 review of stainless steel sheet and strip  
 in coils from Italy.

**EFFECTIVE DATE:** March 1, 2004.

**FOR FURTHER INFORMATION CONTACT:**

Jonathan Herzog, AD/CVD Enforcement,  
 Group III, Office 9, Import  
 Administration, International Trade  
 Administration, U.S. Department of  
 Commerce, 14th Street and Constitution  
 Avenue, NW, Washington DC 20230;  
 telephone: (202) 482-4271.

**SUPPLEMENTARY INFORMATION:**

#### Background

On July 2, 2003, the Department  
 published a notice of opportunity to  
 request an administrative review of the  
 antidumping duty order on stainless  
 steel sheet and strip in coils from Italy.  
*See Antidumping or Countervailing  
 Duty Order, Finding, or Suspended  
 Investigation; Opportunity to Request  
 Administrative Review*, 68 FR 39511  
 (July 2, 2003). On July 31, 2003,  
 Thyssen Krupp Acciai Speciali S.p.A.  
 ("TKAST"), an Italian producer of

subject merchandise requested that the  
 Department conduct an administrative  
 review. Additionally, on July 31, 2003,  
 Petitioners requested that the  
 Department conduct an administrative  
 review of TKAST. On August 22, 2003,  
 the Department published a notice of  
 initiation of an administrative review of  
 the antidumping duty order on stainless  
 steel sheet and strip in coils, for the  
 period July 1, 2002 through June 30,  
 2003. *See Initiation of Antidumping and  
 Countervailing Duty Administrative  
 Reviews and Requests for Revocation in  
 Part*, 68 FR 50750 (August 22, 2003).  
 The preliminary results of this  
 administrative review are currently due  
 no later than April 1, 2004.

#### Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the  
 Act, and section 351.213(h)(2) of the  
 Department's regulations, the  
 Department may extend the deadline for  
 completion of the preliminary results of  
 a review if it determines that it is not  
 practicable to complete the preliminary  
 results within the statutory time limit of  
 245 days from the date on which the  
 review was initiated. Due to the  
 complexity of issues present in this  
 administrative review, such as home  
 market affiliated downstream sales, and  
 complicated cost accounting issues, the  
 Department has determined that it is not  
 practicable to complete this review  
 within the original time period provided  
 in section 751(a)(3)(A) of the Act and  
 section 351.213(h)(2) of the  
 Department's regulations. Therefore, we  
 are extending the due date for the  
 preliminary results by 60 days, until no  
 later than May 31, 2003. The final  
 results continue to be due 120 days after  
 the publication of the preliminary  
 results.

Dated: February 9, 2004.

 Commerce.

**ACTION:** Notice of Consent Motion to Terminate the Panel Review of the final affirmative countervailing duty determination made by the International Trade Administration, respecting Carbon and Certain Alloy Steel Wire Rod from Canada (Secretariat File No. USA-CDA-2002-1904-08).

**SUMMARY:** Pursuant to the Notice of Consent Motion to Terminate the Panel Review by the complainants, the panel review is terminated as of February 25, 2004. A panel has been appointed to this panel review and has consented to this motion. Pursuant to Rule 71(2) of the *Rules of Procedure for Article 1904 Binational Panel Review*, this panel review is terminated.

**FOR FURTHER INFORMATION CONTACT:** Caratina L. Alston, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, DC 20230, (202) 482-5438.

**SUPPLEMENTARY INFORMATION:** Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686). The panel review in this matter was requested and terminated pursuant to these Rules.
