DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket No. FEMA-7827]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, Department of Homeland Security.

ACTION: Final rule.

SUMMARY: This rule identifies communities, where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP), that are suspended on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will be withdrawn by publication in the **Federal Register**.

EFFECTIVE DATES: The effective date of each community's suspension is the

third date ("Susp.") listed in the third column of the following tables.

ADDRESSES: If you wish to determine whether a particular community was suspended on the suspension date, contact the appropriate FEMA Regional Office or the NFIP servicing contractor.

FOR FURTHER INFORMATION CONTACT: Mike Grimm, Mitigation Division, 500 C Street, SW.; Room 412, Washington, DC 20472, (202) 646-2878.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage as authorized under the National Flood Insurance Program, 42 U.S.C. 4001 *et seq.*; unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59 *et seq.* Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the **Federal Register**.

In addition, the Federal Emergency Management Agency has identified the special flood hazard areas in these communities by publishing a Flood Insurance Rate Map (FIRM). The date of the FIRM if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may legally be provided for construction or acquisition of buildings in the identified special flood hazard area of communities not participating in the NFIP and identified for more than a year, on the Federal Emergency Management Agency's initial flood insurance map of the community as having flood-prone areas

(section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment under 5 U.S.C. 553(b) are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives a 6-month, 90-day, and 30-day notification addressed to the Chief Executive Officer that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications have been made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR Part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless they take remedial action.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

Executive Order 12612, Federalism. This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, October 26, 1987, 3 CFR, 1987 Comp.; p. 252.

Executive Order 12778, Civil Justice Reform. This rule meets the applicable standards of section 2(b)(2) of Executive Order 12778, October 25, 1991, 56 FR 55195, 3 CFR, 1991 Comp.; p. 309.

[Docket Number MARAD-2004-17185]

RIN 2133-AB57

Amended Service Obligation Reporting Requirements for U.S. Merchant Marine Academy and State Maritime Academy Graduates

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Interim final rule with request for comments.

SUMMARY: In this interim final rule, the U.S. Maritime Administration (MARAD, we, us, or our) will change the service obligation reporting requirements for United States Merchant Marine Academy (USMMA) graduates and State maritime academy graduates who receive Student Incentive Payments (SIP). Prior to this regulation, each graduate was required to submit an employment report form thirteen (13) months following his or her graduation and each succeeding twelve (12) months for a total of five (5) consecutive years.

The amended obligation will require each graduate to file a report on March 31 following graduation and six (6) consecutive years thereafter. Each graduate will file a total of seven (7) reports in order to give information on all six (6) years of service obligation. This new reporting date will create a standard reporting period for all graduates and will coincide with the U.S. Naval Reserve/Merchant Marine Reserve (USNR/MMR) service reporting date. This rulemaking will also provide for the electronic submission of reports as the primary means for submission to MARAD.

DATES: This interim final rule is effective March 2, 2004. However, MARAD will consider comments received not later than April 1, 2004.

ADDRESSES: Comments should refer to the docket number that appears on the top of this document. Written comments may be submitted to the Docket Clerk, U.S. DOT Dockets, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590. Comments may also be submitted by electronic means via the Internet at <http://dmses.dot.gov/submit>. Note that all comments received will be posted without change including any personal information provided in the comment. All comments received will be available for examination at the above address between 10 a.m. and 5 p.m. ET, Monday through Friday, except Federal holidays. An electronic version of this document is available on the World Wide Web at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Ms. Brenda Reed-Perry, Office of Policy and Plans, Maritime Administration, MAR-410, Room 7123, 400 Seventh Street, SW., Washington, DC 20590; telephone: (202) 366-0845; FAX: (202) 366-7403 and e-mail: maritime.graduate@marad.dot.gov.

SUPPLEMENTARY INFORMATION: The USMMA and State maritime academies require a midshipman/cadet who is a U.S. citizen and who enters the USMMA or a State maritime academy in the SIP program after April 1, 1982, to sign a service obligation contract which obligates the midshipman/cadet to certain post-graduate employment. Prior to this interim final rule, a USMMA or State maritime academy SIP graduate was required to submit his or her service obligation report thirteen (13) months following his or her graduation and each succeeding twelve (12) months for a total of five (5) consecutive years for USMMA graduates and for a total of three (3) years for State maritime academy SIP graduates.

However, MARAD is now establishing the same service obligation reporting date that the USNR/MMR requires. This interim final rule will require each

graduate to file a report on March 31 following graduation and six (6) consecutive years thereafter. Each graduate will file a total of seven (7) reports in order to give information on all six (6) years of service obligation. This new reporting date not only will coincide with the USNR/MMR's service reporting date but also will create a standard reporting period for all graduates. This rulemaking will also provide for the electronic submission of reports as the primary means for submission. Graduates must submit annually the Maritime Administration Service Obligation Compliance Report and Merchant Marine Reserve, U.S. Naval Reserve (USNR), Annual Report (Form MA-930). Graduates may submit their Service Obligation Reports electronically via the Maritime Service Compliance System at <https://mscs.marad.dot.gov>.

Regulatory Analyses and Notices

Executive Order 12866 and DOT Regulatory Policies and Procedures. This interim final rule is not considered a significant regulatory action under section 3(f) of Executive Order 12886 and, therefore, was not reviewed by the Office of Management and Budget. This interim final rule is not likely to result in an annual effect on the economy of \$100 million or more. This interim final rule is also not significant under the Regulatory Policies and Procedures of the Department of Transportation (44 FR 11034, February 26, 1979). The costs and benefits associated with this rulemaking are considered to be so minimal that no further analysis is necessary. The economic impact, if any, should be minimal; therefore, further regulatory evaluation is not necessary. Additionally, this interim final rule is intended only to allow timely as well as fair and efficient use of electronic submission technologies for the information collection identified in this interim final rule.
