DEPARTMENT OF COMMERCE

Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Construction Progress Reporting Surveys.

Form Number(s): C-700, Private Construction Projects; C-700(SL), State and Local Governments Projects; C-700(R), Multi-Family Residential Projects.

Agency Approval Number: 0607-0153.

Type of Request: Revision of a currently approved collection.

Burden: 58,500 hours.

Number of Respondents: 19,500.

Avg. Hours Per Response: 15 minutes.

Needs and Uses: The U.S. Census Bureau conducts the Construction Progress Reporting Surveys (CPRS) to collect information on the dollar value of construction put in place by private companies, individuals, private multifamily residential buildings, and State and local governments. Due to the significant growth in construction activity during the past few years, and to facilitate the publication of construction spending data in more detail by new types of construction, we are increasing the number of respondents/projects sampled.

The C-700 is used to collect data on industrial and manufacturing plants, office buildings, retail buildings, service establishments, religious buildings, schools, universities, hospitals, clinics, and miscellaneous buildings. The C-700(SL) is used to collect data on public schools, courthouses, prisons, hospitals, civic centers, highways, bridges, sewer systems, and water systems. The C-700(R) is used to collect data on residential buildings and apartment projects with two or more housing units.

Data are collected on a sample basis from state and local agency officials, owners of private nonresidential
