Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Alcohol and Other Drug Prevention Models on College Campuses grant competition provides awards to identify, enhance, further evaluate, and disseminate information about models of alcohol and other drug prevention at IHEs.

Priority: We are establishing this priority for this competition only, in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA) (20 U.S.C. 1232(d)(1)).

Absolute Priority: For this competition this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Identify, enhance, further evaluate, and disseminate information about an effective alcohol or other drug prevention program being implemented on the applicant's campus. Under this priority, applicants are required to:

(1) Describe an alcohol or other drug prevention program that has been implemented for at least two full academic years on the applicant's campus;

(2) Provide evidence of the effectiveness of the program;

(3) Provide a plan to enhance and further evaluate the program during the project period; and

(4) Provide a plan to disseminate information to assist other IHEs in implementing a similar program.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on a proposed priority and certain selection process requirements. Section 437(d)(1) of GEPA, however, exempts from this requirement rules governing the first grant competition under a new or substantially revised program authority. This is the first Alcohol and Other Drug Prevention

Models on College Campuses grant competition under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the NCLB. In order to ensure timely grant awards, the Secretary has decided to forego public comment on the priority and selection process requirements under section 437(d)(1) of GEPA. This priority and certain selection process requirements will apply to this grant competition only.

Program Authority: 20 U.S.C. 7131.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 81, 82, 84, 85, 86, 97, 98, and 99.

Pilot Project for Electronic Submission of Applications: We are continuing to expand our pilot project for electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Alcohol and Other Drug Prevention Models on College Campuses grant competition—CFDA number 84.184N is one of the programs included in the pilot project. If you are an applicant under the Alcohol and Other Drug Prevention Models on College Campuses grant competition, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System

(e-Application). If you use e-Application, you will be entering data online while completing your application. You may not e-mail an electronic copy of a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter online will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for its improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- When you enter the e-Application system, you will find information about its hours of operation. We strongly recommend that you do not wait until the application deadline date to initiate an e-Application package.

- You will not receive any additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format.

- You may submit all documents electronically, including the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award Number (an identifying number unique to your application).

Within three working days after submitting your electronic application, fax a signed copy of the Application for Federal Education Assistance (ED 424) to the Application Control Center after following these steps:

1. Print ED 424 from e-Application.
2. The institution's Authorizing Representative must sign this form.
3. Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.
4. Fax the signed ED 424 to the Application Control Center at (202) 260–1349.

- We may request that you give us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of System Unavailability: If you elect to participate in the e-Application pilot for the Alcohol and Other Drug Prevention Models on College Campuses Grant Competition and you are prevented from submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day in order

to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

1. You are a registered user of e-Application, and have initiated an e-Application for this competition; and
2. (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or
- (b) The e-Application system is unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time) on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgement of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under for Further Information Contact (*see* VII. Agency Contact) or (2) the e-GRANTS help desk at 1-888-336-8930.
