SUPPLEMENTARY INFORMATION: The passenger transportation portion of the RBEG program is authorized by section 310B(c)(2) of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1932(c)(2)). The RBEG program is administered on behalf of RBS at the State level by the Rural Development State Offices. The primary objective of the program is to improve the economic conditions of rural areas. Assistance provided to rural areas under this program may include on-site technical assistance to local and regional governments, public transit agencies, and related nonprofit and for-profit organizations in rural areas; the development of training materials; and the provision of necessary training assistance to local officials and agencies in rural areas.

Awards under the RBEG passenger transportation program are made on a competitive basis using specific selection criteria contained in 7 CFR part 1942, subpart G, and in accordance with section 310B(c)(2) of the CONACT. That subpart also contains the information required to be in the preapplication package. For the \$250,000 grant, at least 75 percent of the benefits of the project must be received by members of Federally Recognized Tribes. The project that scores the greatest number of points based on the selection criteria and Administrator's points will be selected for each grant. Preapplications will be tentatively scored by the State Offices and submitted to the National Office for review, final scoring, and selection.

To be considered "national," a qualified organization is required to provide evidence that it operates in

multi-State areas. There is not a requirement to use the grant funds in a multi-State area. Under this notice, grants will be made to qualified, private, non-profit organizations for the provision of technical assistance and training to rural communities for the purpose of improving passenger transportation services or facilities. Public bodies are not eligible for passenger transportation RBEG grants.

The information collection requirements contained within this Notice have received approval by the Office of Management and Budget (OMB) under OMB Control Number 0570-0022 (7 CFR part 1942, subpart G).

Fiscal Year 2004 Preapplications Submission

Each preapplication received in a Rural Development State Office will be reviewed to determine if this preapplication is consistent with the eligible purposes contained in section 310B(c)(2) of the CONACT. Each selection priority criterion outlined in 7 CFR part 1942, subpart G, section 1942.305(b)(3), must be addressed in the preapplication. Failure to address any of the criteria will result in a zero-point score for that criterion and impact the overall evaluation of the preapplication. Copies of 7 CFR part 1942, subpart G, will be provided to any interested applicant making a request to a Rural Development State Office listed in this notice. All projects to receive technical assistance through these passenger transportation grant funds are to be identified when the preapplications are submitted to the Rural Development State Office. Multiple project preapplications must identify each individual project, indicate the amount of funding requested for each individual project, and address the criteria as stated above for each individual project. For multiple-project preapplications, the average of the individual project scores will be the score for that preapplication.

All eligible preapplications, along with tentative scoring sheets and the Rural Development State Director's recommendation, will be referred to the National Office no later than June 15, 2004, for final scoring and selection for an award.

The National Office will score preapplications based on the grant selection criteria and weights contained in 7 CFR part 1942, subpart G and will select a grantee subject to the grantee's satisfactory submission of a formal application and related materials in the manner and timeframe established by RBS in accordance with 7 CFR part 1942, subpart G. It is anticipated that

the grantees will be selected by July 30, 2004. All applicants will be notified by RBS of the Agency's decision on the awards.

SUPPLEMENTARY INFORMATION: The RBOG program is authorized under section 306 of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1926(a)(11)). The Rural Development State Offices administer the RBOG program on behalf of RBS at the State level. The primary objective of the program is to improve the economic conditions of rural areas. Assistance provided to rural areas under this program may include technical assistance for business development and economic development planning. A total of \$1.064 million of non-earmarked funds is available for the RBOG program for FY 2004. To ensure that a broad range of communities have the opportunity to benefit from the available funds, no grant will exceed \$50,000, unless it is a multi-State project where funds may not exceed \$150,000. Pursuant to the Consolidated Appropriations Act for 2004 (Pub. L. 108-199), a total of \$1,988,200 has been earmarked for Native Americans and Empowerment Zones, Enterprise Communities, and Rural Economic Area Partnerships. There is no project dollar amount limitation on applications for earmarked funds. Awards are made on a competitive basis using specific selection criteria contained in 7 CFR part 4284, subpart G, 7 CFR part 4284, subpart G, also contains the information required to be in the application package. The State Director may assign up to 15 discretionary points to an application, and the Agency Administrator may assign up to 20 additional discretionary points based on geographic distribution of funds, special importance for implementation of a strategic plan in partnership with other organizations, or extraordinary potential for success due to superior project plans or qualifications of the grantee. To ensure the equitable distribution of funds, two projects from each State that score the greatest number of points based on the selection criteria and discretionary points will be considered for funding. Applications will be tentatively scored by the State Offices and submitted to the National Office for final review and selection.

The National Office will review the scores based on the grant selection

criteria and weights contained in 7 CFR part 4284, subpart G. All applicants will be notified by RBS of the Agency's decision on the awards.

In accordance with the Paperwork Reduction Act of 1995, the information collection requirement contained in this Notice is approved by the Office of Management and Budget (MB) under OMB Control Number 0570-0024.
