Request for copies of the information collection instrument and instructions should be directed to: Corey Wright, Trade Development, Office of Environmental Technologies Industries (ETI), Room 1003; U.S. Department of Commerce, 14th & Constitution Ave., NW., Washington, DC 20230; Phone number: (202) 482-5225.

SUPPLEMENTARY INFORMATION:

I. Abstract

The International Trade Administration's Office of Environmental Technologies Industries (ETI) office is the principal resource and key contact point within the U.S. Department of Commerce for American environmental technology companies. ETI's goal is to facilitate and increase exports of environmental technologies, goods and services by providing support and guidance to U.S. exporters. One aspect of increasing exports is to reduce trade barriers and non-tariff measures. ETI works closely with the Office of the U.S. Trade Representative on trade negotiations and trade liberalization initiatives. The information collected by this survey will be used to support these projects and enable ETI to maintain a current, up-to-date list of non-tariff measures that create trade barriers for U.S. exports of environmental goods and services.

II. Method of Collection

Electronic submission to the International Trade Administration's Office of Environmental Technologies Industries.

Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China: Preliminary Results of Administrative Reviews, Preliminary Partial Rescission of Antidumping Duty Administrative Reviews, and Determination Not To Revoke in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Preliminary results of antidumping duty administrative reviews.

SUMMARY: The Department of Commerce (the Department) is conducting administrative reviews of the antidumping duty orders on heavy forged hand tools, finished or unfinished, with or without handles (HFHTs), from the People's Republic of China (PRC). The period of review (POR) is February 1, 2002, through January 31, 2003. These reviews cover imports of subject merchandise from four manufacturers/exporters.

We preliminarily determine that certain manufacturers/exporters sold subject merchandise at less than normal value (NV) during the POR. If these preliminary results are adopted in our final results of review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. We have also preliminarily determined not to revoke the antidumping duty order on hammers/sledges with respect to

hammers/sledges produced by Shandong Jinma Industrial Group Co., Ltd. (Jinma) and exported by Shandong Machinery Import & Export Corporation (SMC).

We invite interested parties to comment on these preliminary review results. We will issue the final review results no later than 120 days from the date of publication of this notice.

EFFECTIVE DATE: March 10, 2004.

FOR FURTHER INFORMATION CONTACT:

Mark Manning or Thomas Martin; Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-5253 and (202) 482-3936, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 19, 1991, the Department published in the *Federal Register* (56 FR 6622) four antidumping orders on HFHTs from the PRC. Imports covered by these orders comprise the following classes or kinds of merchandise: (1) Hammers and sledges with heads over 1.5 kg (3.33 pounds) (hammers/sledges); (2) bars over 18 inches in length, track tools and wedges (bars/wedges); (3) picks/mattocks; and (4) axes/adzes. See the *Scope of Reviews* section below for the complete description of subject merchandise.

On February 27, 2003, five exporters of the subject merchandise requested that the Department conduct administrative reviews of their exports of subject merchandise. Specifically, Tianjin Machinery Import & Export Corporation (TMC) requested that the Department conduct an administrative review of its exports of merchandise covered by the hammers/sledges order. Shangdong Huarong Machinery Co., Ltd. (Huarong) requested that the Department conduct an administrative review of its exports of merchandise covered by the bars/wedges order. Similarly, Liaoning Machinery Import & Export Corporation (LMC) and Liaoning Machinery Import & Export Corporation, Ltd. (LIMAC) also requested that the Department conduct an administrative review of their exports of merchandise covered by the bars/wedges order, and requested revocation pursuant to 19 CFR 351.222(b). Lastly, SMC requested that the Department conduct an administrative review of its exports of merchandise covered by the hammers/sledges and bars/wedges orders, and also requested revocation with respect to hammers/sledges pursuant to 19 CFR 351.222(b).

On February 28, 2003, the petitioner, Ames True Temper, requested administrative reviews of merchandise of 88 PRC producers/exporters covered by the axes/adzes, bars/wedges and hammers/sledges orders, in addition to the five companies identified above. Regarding the picks/mattocks order, the petitioner requested administrative reviews for the following six PRC companies, which were also included in the petitioner's request for review of the other three HFHTs orders: Fujian Machinery & Equipment Import & Export Corporation (FMEC), Huarong, Jinma, LMC, SMC, and TMC. On March 25, 2003, the Department published a notice of initiation of administrative reviews of merchandise covered by the four orders on HFHTs, produced/exported by the PRC companies identified by the petitioner, which includes the five companies identified above that requested a review of their own sales of subject merchandise. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 14394 (March 25, 2003).

On March 26, 2003, the Department issued a shortened section A questionnaire to all of the PRC producers/exporters identified in the notice of initiation. This questionnaire requested that these companies report the quantity and value of their sales of merchandise during the POR that are subject to the four HFHTs antidumping orders.¹ In April and May 2003, we received letters from ten PRC producers/exporters stating that they had no shipments of subject merchandise during the POR. We received, on April 23, 2003, the shortened section A questionnaire responses from Huarong, LMC/LIMAC, SMC, TMC, and Jiangsu Guotai International Group Huatai Import & Export Company, Ltd. (Jiangsu). On May 6, 2003, the Department issued to interested parties the draft physical product characteristics for hand tools that we intend to use to make our fair value comparisons. From May 21, 2003 through May 28, 2003, the Department received comments on these physical product characteristics. Also on May 6, 2003, the Department issued the full section A questionnaire to Huarong, LMC/LIMAC, SMC, TMC, and Jiangsu. We received responses from Huarong, LMC/LIMAC, SMC, and TMC on May 28, 2003, and from Jiangsu on June 12,

¹ Section A of the questionnaire requests general information concerning a company's corporate structure and business practices, the merchandise under review that it sells, and the manner in which it sells that merchandise in all of its markets.
