In case of an aviation disaster, airlines would be required to provide the information to the Department of State and, in certain instances, to the National Transportation Safety Board. Each carrier would develop its own collection system. The Passenger Manifest Information; Final Rule (14 CFR part 243) was published in the **Federal Register**, Vol. 63., No. 32 (February 18, 1998). The rule was effective March 20, 1998.
