

present. The explosive and noxious gases and dusts must be diluted, rendered harmless, and carried to the surface by the ventilating currents. Sufficient air must be provided to maintain the level of respirable dust at or below 2 milligrams per cubic meter of air and air quality must be maintained in accordance with MSHA standards. Mechanical ventilation equipment of sufficient capacity must operate at all times while miners are in the mine. Ground conditions are subject to frequent changes, thus sufficient tests and examinations are necessary to ensure the integrity of the ventilation system and to detect any changes that may require adjustments in the system. Records of tests and examinations are necessary to ensure that the ventilation system is being maintained and that changes which could adversely affect the integrity of the system or the safety of the miners are not occurring. These examination requirements of 30 CFR 75.310, 75.312, 75.342, 75.351, 75.360 through 75.364, 75.370, 75.371, and 75.382 also incorporate examinations of other critical aspects of the underground work environment such as roof conditions and electrical equipment which have historically caused numerous fatalities if not properly maintained and operated.

### Cordis Corporation, Including Leased Workers of Kelly Services Miami Lakes, Florida; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 7, 2003, applicable to workers of Cordis Corporation, Miami Lakes, Florida. The notice was published in the **Federal Register** on September 2, 2003 (68 FR 52228).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information shows that leased workers of Kelly Services were employed at Cordis Corporation, at the Miami Lakes, Florida location of the subject firm.

Based on these findings, the Department is amending this certification to include leased workers of Kelly Services working at Cordis Corporation, Miami Lakes, Florida.

The intent of the Department's certification is to include all workers of Cordis Corporation who were adversely affected by increased imports of medical devices.

The amended notice applicable to TA-W-52,275 is hereby issued as follows:

All workers of Cordis Corporation, and leased workers of Kelly Services, Miami Lakes, Florida, who became totally or partially separated from employment on or after June 20, 2002, through August 7, 2005, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 4th day of March, 2004.
