powerhouse containing three Francis turbines connected to generators with a combined capacity of 3,000 kW, and an average annual generation 17,897 MWh; (5) a 2,900-foot-long transmission line extending from the powerhouse to the Wisconsin Public Service line; and (5) appurtenant facilities.

m. A copy of the application is available for review at the Commission in the Public Reference Room or may be viewed on the Commission’s Web site at http://www.ferc.gov using the “eLibrary” link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC Online Support at FERConlineSupport@ferc.gov or toll-free at 1–866–208–3676, or for TTY, (202) 502–8659. A copy is also available for inspection and reproduction at the address in item h above.

Register online at http://www.ferc.gov/esubscribenow.htm to be notified via e-mail of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

Anyone may obtain an extension of time for these deadlines from the FERC Online Support. Pending projects. For assistance, contact the Commission in this proceeding, in accordance with 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission’s Web site at http://www.ferc.gov under the “e-Filing” link. The Commission strongly encourages electronic filings.

m. Locations of the Application: This filing is available for review and reproduction at the Commission in the Public Reference Room, Room 2A, 888 First Street, NE., Washington, DC 20426. The filing may also be viewed on the web at using the “eLibrary” link. Enter the docket number, here P–11178, in the docket number field to access the document. For assistance, call toll-free 1–866–208–3676 or e-mail FERConlineSupport@ferc.gov. For TTY, call (202) 502–8659. A copy is also available for inspection and reproduction at the Tucson Water Department.

n. Individuals desiring to be included on the Commission’s mailing list should so indicate by writing to the Secretary of the Commission.

o. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of rules of practice and procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission’s Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

p. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title “COMMENTS,” “RECOMMENDATIONS,” or “PROTESTS;” or “PRESCRIPTIONS;” or “TERMS AND CONDITIONS;” or “RECOMMENDATIONS FOR TERMS AND CONDITIONS,” or “EVIDENTIARY BASIS AND OTHERWISE COMPLY WITH THE REQUIREMENTS OF 18 CFR 385.2001” or “FERC Contact: James Hunter, (202) 502–6086.”

j. Status of Environmental Analysis: This application is ready for environmental analysis at this time, and the Commission is requesting comments, reply comments, recommendations, terms and conditions, and prescriptions.

l. Notice of Application: The City of Tucson proposes to surrender its exemption for the 4,246-kilowatt (kW) Tucson Project because of current economic conditions and failure to secure a viable arrangement with its energy provider. The project would have consisted of eleven powerhouses containing generating units with capacities ranging from 49 kW to 1,275 kW. The City states that it will reapply at such time as conditions change and the project is determined to be feasible.

i. Description of Request: The City of Tucson proposes to surrender its exemption for the 4,246-kilowatt (kW) Tucson Project because of current economic conditions and failure to secure a viable arrangement with its energy provider. The project would have consisted of eleven powerhouses containing generating units with capacities ranging from 49 kW to 1,275 kW. The City states that it will reapply at such time as conditions change and the project is determined to be feasible.

j. Notice of Application: The City of Tucson proposes to surrender its exemption for the 4,246-kilowatt (kW) Tucson Project because of current economic conditions and failure to secure a viable arrangement with its energy provider. The project would have consisted of eleven powerhouses containing generating units with capacities ranging from 49 kW to 1,275 kW. The City states that it will reapply at such time as conditions change and the project is determined to be feasible.
“MOTION TO INTERVENE”, as applicable, and the Project Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

q. Agency Comments: Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency’s comments must also be sent to the Applicant’s representatives.

Federal Energy Regulatory Commission

[Project No. 1971–079]

Idaho Power Company, Idaho/Oregon; Notice of Tribal Consultation Briefing

The Commission intends to hold meetings with the Indian Tribes potentially affected by the relicensing of the Hells Canyon Project 1 to discuss the Commission’s relicensing process, how the tribes can participate to the fullest extent possible, the tribes’ interests and concerns in the affected area, and how to establish procedures to ensure appropriate communication between Commission and tribal staff. These meetings will occur between March 29 and March 31, 2004.

To ensure that all parties are made aware of the issues raised during each tribal consultation meeting, the Commission staff will also be holding a separate, tribal consultation briefing. This meeting will be held on Thursday, April 1, 2004, from 9:30 a.m. to 11:30 a.m. at the Boise Center on the Grove, 850 Front Street, Boise, Idaho.

The Commission encourages parties interested in the Hells Canyon proceeding to come and discuss the issues raised at tribal consultation meetings.

For more information, contact Alan Mitchnick at (202) 502–6074 or alan.mitchnick@ferc.gov.
