DEPARTMENT OF AGRICULTURE

Forest Service

Southwest Region; Authorization of Livestock Graving Activities on the Sacramento Grazing Allotment, Sacramento Ranger District, Lincoln National Forest, Otero County, New Mexico

AGENCY: Forest Service, USDA.

ACTION: Revised notice of intent to prepare a final environmental impact statement for the authorization of livestock graving on the Sacramento Grazing Allotment.

SUMMARY: In a previous *Federal Register* announcement (December 8, 2003, Vol 68, No. 235, page 68325) the Forest Service provided notice it would prepare a final environmental impact statement on a proposal to authorize

livestock graving activities on the Sacramento Grazing Allotment by January 2004. The project area encompasses approximately 115,000 acres of National Forest lands on the Sacramento Ranger District of the Lincoln National Forest. The Sacramento Grazing allotment comprises approximately 25% of the ranger district. The project has generated controversy on three main points: effects to threatened and endangered animal and plant species, concern for degraded riparian areas, and forage competition between wildlife and livestock. This notice is to advise interested parties that a final environmental impact statement (FEIS) will be available for public review in March 2004.

Responsible Official: The District Ranger will decide whether or not to authorize domestic livestock grazing on the Sacramento Allotment which will include appropriate forest plan standards and guidelines in part 3 of the existing grazing permit. If grazing is authorized, the District Ranger will decide on the permitted number of animals and season of use, range facilities to be constructed, allowable utilization standards, required monitoring, and mitigation measures (best management practices, BMPs).

FOR FURTHER INFORMATION CONTACT: Questions about the proposed project and scope of analysis should be directed to Rick Newmon or Mark Cadwallader at (505) 682-2551.

Dated: February 25, 2004.

Jose M. Martinez,

Forest Supervisor, Lincoln National Forest.
