

determined that the system is likely to be as effective as parts-marking in preventing and deterring theft of these vehicles, and therefore qualifies for an exemption under 49 CFR part 543. The agency believes that the modified device will continue to provide four of the five types of performance listed in § 543.6(b)(3): Promoting activation; preventing defeat or circumventing of the device by unauthorized persons; preventing operation of the vehicle by unauthorized entrants; and ensuring the reliability and durability of the device.

NHTSA suggests that if the manufacturer contemplates making any changes the effects of which might be characterized as *de minimis*, it should consult the agency before preparing and submitting a petition to modify.
