

should consider making as it reengineers the systematic collection of standardized loan data from System institutions. Specifically, the agency requests comments on:

1. What suggestions do you have regarding loan data elements?
2. What processes and technological approaches to employ to streamline the collection of loan data?
3. How to minimize the reporting burden on System institutions while meeting the agency's informational needs?
4. What standardized reports to make available to the general public and System institutions, considering the need to protect private and proprietary confidential information?

Along with these questions, we welcome any other comments or suggestions the agency should consider as it moves forward with this initiative.
