**DEPARTMENT OF HOMELAND
 SECURITY**

**Federal Emergency Management
 Agency**

**Agency Information Collection
 Activities: Proposed Collection;
 Comment Request**

AGENCY: Federal Emergency
 Management Agency, Emergency
 Preparedness and Response Directorate,
 U.S. Department of Homeland Security.

ACTION: Notice and request for
 comments.

SUMMARY: The Federal Emergency
 Management Agency, as part of its
 continuing effort to reduce paperwork
 and respondent burden, invites the
 general public and other Federal
 agencies to take this opportunity to
 comment on proposed revised
 information collections. In accordance
 with the Paperwork Reduction Act of
 1995 (44 U.S.C. 3506(c)(2)(A)), this
 notice seeks comments on the

enhancement of an existing Web-based
 database of Mitigation Success Stories,
 which documents mitigation and flood
 insurance strategies that worked well for
 different hazards, mitigation activities
 or project types. The All-hazards
 Success Story Database promotes
 mitigation practices that encourage
 communities, individuals, and other key
 decision-makers to take action to reduce
 hazard risks.

Supplementary Information: The
 Government Performance Results Act
 (GPRA) requires agencies to set missions
 and goals, and measure performance
 against them. FEMA will partially fulfill
 these requirements by collecting and
 sharing information describing
 successful mitigation and flood
 insurance practices occurring in
 communities nationwide. The
 Mitigation Success Stories database
 addresses FEMA's strategic goal of
 reducing the loss of life and property
 due to disasters through
 communications strategies aimed at
 assisting individuals, governments, and
 communities make sound risk
 management decisions.

Collection of Information

Title: Federal Emergency Management
 Agency (FEMA) Mitigation Success
 Story Database.

Type of Information Collection:
 Existing collection in use without OMB
 approval.

OMB Number: 1660-NEW6.

Abstract: Early mitigation actions,
 which focus on the prevention of loss of
 life and less damage to buildings and
 other structures, have been
 implemented throughout the United
 States. This database serves a dual
 purpose in providing a venue for
 gaining and disseminating knowledge
 about effective and efficient mitigation
 strategies implemented in communities
 nationwide. Federal, State, local
 officials or individuals experienced in
 hazard mitigation projects, community
 planning and floodplain administration,
 and other mitigation and flood
 insurance related projects constitute
 typical respondents to this information
 collection. The database offers visitors
 of the FEMA Web site a centralized,
 user-friendly venue to search a variety
 of best practices, success stories, and
 mitigation projects. By sharing
 information, communities and
 individuals can learn about available
 Federal programs to support the
 implementation of mitigation projects
 relevant to individual conditions and
 characteristics.

Affected Public: Individuals or
 Households; Businesses or Other for-
 Profit and Not-for-Profit Organizations;
 and Federal, State, Local, or Tribal

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning Development, HUD.

ACTION: Notice.

SUMMARY: This notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Burruss, room 7266, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C.

11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This notice is also published in order to comply with the December 12, 1988, Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-0G (D.D.C.).

Properties reviewed are listed in this notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Shirley Kramer, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time,

HUD will publish the property in a notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Kathy Burruss at the address listed at the beginning of this notice. Included in the request for review should be the property address (including ZIP Code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Energy:* Mr. Tom Knox, Department of Energy, Office of Engineering & Construction Management, CR-80, Washington, DC 20585; (202) 586-8715; *GSA:* Mr. Brian K.
