Annual reporting hours: 2,640.

Estimated average hours per response: 20 minutes.

Number of respondents: 4,000.

General description of report: This information collection is voluntary. The statutory basis for collecting this information is section 2A of the Federal Reserve Act [12 U.S.C. 225a]; the Bank Merger Act [12 U.S.C. 1828(c)]; and sections 3 and 4 of the Bank Holding Company Act [12 U.S.C. 1842 and 1843 and 12 U.S.C. 353 and 461]. Abstract: This survey would gather data from two groups of military personnel: (1) Those completing a financial education course as part of their advanced training and (2) those not completing a financial education course. These two groups would be surveyed on their financial management behaviors and changes in their financial situations over time. Data from the survey would help to determine the effectiveness of financial education for young adults in the military and the durability of the effects as measured by financial status of those receiving financial education early in their military careers.
