

Three instruments are needed to collect process information about SIG activities at the State, community, and program levels: (1) A Final Report Protocol; (2) a SIG Community Site Visit Protocol; and (3) a SIG Community Telephone Interview Protocol. The Final Report Protocol will be used to collect data across the spectrum of activities associated with the SIG effort in the State. The areas captured by the Final Report Protocol are outlined in the Conceptual Framework utilized by the SIG States and cross-site evaluation team, and include the following topics: GOAMS (goals, objectives, accomplishments, and milestones), contextual conditions, SIG mobilization, system characteristics and dynamics, collaborative strategies or activities, immediate outcomes, systems change, sub-recipient characteristics and dynamics, sub-recipient planning and science-based prevention interventions,

sub-recipient immediate local outcomes, long-term outcomes, possible rival explanations, and learned lessons.

The community site visits will be conducted in randomly selected sample of sub-recipient communities in Cohorts I–III that have submitted pre-post matched outcome data that includes comparison data. The SIG Community Site Visit Protocol will collect data at the sub-recipient and program levels on the following topics: degree of monitoring by the State, selection processes of interventions, evaluation strategies, technical assistance provided by the State, level of guidance by the State in program selection, and evaluation.

The sampling frame for the telephone interviews will include all active sub-recipients in Cohorts I–V that are collecting outcome data at the intervention level. Sub-recipient communities selected for site visits will be excluded from the sampling frame.

The SIG Community Telephone Interview Protocol will collect data on the processes for selection and implementation of interventions and the approach to evaluation of these interventions.

OMB approval has been received for the process evaluation in the first four cohorts (N=28 states) and for states to submit previously collected outcome data for secondary analysis. This request will add the more recently funded SIG jurisdictions (Cohorts V–VII) to the process evaluation (N=16 states) and address the burden on states (Cohorts VI–VII) to submit previously collected outcome data (N=23 states). Included in this request are revised burden estimates based on actual experience, and a request for an extension of the period of OMB approval for the SIG cross-site evaluation by three years.

Estimated annual burden is as follows:

Instrument	Number of respondents	Responses per respondent	Hours per response	Annual burden hours
SIG Final Report Protocol:				
Evaluators	16	1	200	3,200
Project Directors	16	1	40	640
Key Informants	32	1	4	128
SIG Community Site Visits in 8 States:				
State contacts	8	1	1	8
Subrecipient contacts	10	1	1	10
Site visit interviews (10 per site)	80	1	1	80
SIG Community Telephone Interviews:				
Telephone Interviews	81	1	2	162
Community outcome data (23 States)	23	2	8	368
TOTAL				4,596

Send comments to Nancy Pearce, SAMHSA Reports Clearance Officer, Room 16–105, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.

Dated: March 23, 2004.

Anna Marsh,

Executive Officer, SAMHSA.

BILLING CODE 4162–20–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2004 Funding Opportunity

AGENCY: Center for Substance Abuse Prevention, Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of intent to award a Single Source Grant to the Iowa Department of Public Health.

SUMMARY: This notice is to inform the public that the Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Prevention (CSAP), intends to award approximately \$200,000 (total costs) for a one-year project period to the Iowa Department of Public Health. This is not a formal request for applications. Assistance will be provided only to the Iowa Department of Public Health based on the receipt of a satisfactory application that is approved by an independent review group.

Funding Opportunity Title: SP 04–010.

Catalog of Federal Domestic Assistance (CFDA) Number: 93.243.

Authority: Section 519E of the Public Health Service Act, as amended.

Justification: Only the Iowa Department of Public Health is eligible

to apply. The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Prevention (CSAP), is seeking to award a single source supplemental grant to the Iowa Department of Public Health to support methamphetamine prevention infrastructure development to reduce methamphetamine production supply and use.

Iowa has a serious and growing methamphetamine abuse problem. It ranks as the sixth highest state in usage, according to the 2001 preliminary findings of the National Institute of Justice. Problems stemming from widespread use, including increases in treatment admissions, arrests, drug convictions, and seizure of methamphetamine laboratories, have overwhelmed the substance abuse prevention and treatment, and criminal justice systems. Iowa’s rural and agricultural nature provides an attractive setting for clandestine methamphetamine production

laboratories, since it is characterized by open space, a network of roadways for delivery, and ample raw materials. Consequently, Iowa houses many methamphetamine laboratories.

The dramatic increase in methamphetamine use in the State of Iowa has stimulated the interest and commitment of its business community to partner with the State in responding to the problem. There is a growing awareness in the field of the importance of engaging "mainstream" sectors of the community in prevention activities in order to increase the acceptability, effectiveness, and long-term sustainability of such programs. The interest of Iowa's business community provides the State (and SAMHSA) with a unique opportunity to develop and evaluate a public-private partnership to combat methamphetamine production and cost.

FOR FURTHER INFORMATION CONTACT: Wilma Pinnock, SAMHSA/CSAP, 5600 Fishers Lane, Rockwall II, 9th Floor,

Rockville, MD 20857; telephone: (301) 594-3447; E-mail: wpinnock@samhsa.gov.

Dated: March 24, 2004.

Margaret M. Gilliam,
Acting Director, Office of Policy, Planning and Budget, Substance Abuse and Mental Health Services Administration.

DEPARTMENT OF HOMELAND SECURITY

Directorate of Information Analysis and Infrastructure Protection (IAIP)

Open Meeting of National Infrastructure Advisory Council (NIAC)

AGENCY: Directorate of Information Analysis and Infrastructure Protection, DHS.

ACTION: Notice of meeting.

SUMMARY: The National Infrastructure Advisory Council (NIAC) will hold a meeting to be briefed on the status of several Working Group activities that the Council undertook at its last meeting. The NIAC advises the President of the United States on the security of information systems for critical infrastructure supporting other sectors of the economy, including banking and finance, transportation, energy, manufacturing, and emergency government services.

DATES: April 13, 2004, 2 p.m.-5 p.m.

ADDRESSES: The National Press Club Ballroom, 13th floor, 529 14th St, NW., Washington, DC 20045.

FOR FURTHER INFORMATION CONTACT: Nancy J. Wong, (202) 482-1929.

SUPPLEMENTARY INFORMATION: Notice of these meetings is given under the Federal Advisory Committee Act, 5 U.S.C. App. 2.

Agenda of Committee meeting on April 13, 2004

I. Opening of Meeting	Nancy J. Wong, U.S. Department of Homeland Security (DHS)/Designated Federal Official, NIAC.
II. Roll Call of Members	NIAC Staff.
III. Opening Remarks	Lt. Gen. Frank Libutti (USMC, ret.), Under Secretary for Information Analysis and Infrastructure Protection, DHS Homeland Security for Infrastructure Protection; Gen. John A. Gordon (USAF, ret.), Assistant to the President and Homeland Security Advisor, Homeland Security Council; Richard K. Davidson, Chairman, President & CEO, Union Pacific Corporation; Chairman, NIAC; Erle A Nye, Chairman and CEO TXU Corp; newly appointed Chairman, NIAC; Passing of the Gavel; and John T. Chambers, President & CEO, Cisco Systems, Inc.; Vice Chairman, NIAC.
IV. Status Reports on Pending Initiatives.	
A. Hardening the Internet	George H. Conrades, Chairman & CEO, Akamai Technologies; NIAC Member.
B. Prioritization of Cyber Vulnerabilities	Martin G. McGuinn, Chairman & CEO, Mellon Financial Corporation; NIAC Member.
C. Vulnerability Scoring Research Task	Vice Chairman Chambers; and John W. Thompson, Chairman & CEO, Symantec Corporation; NIAC Member.
V. Final Report and Discussion on Regulatory Guidance/Best Practices for Enhancing Security of Critical Infrastructure Industries.	Karen L. Katen, President, Pfizer Global Pharmaceuticals and Exec. V.P., Pfizer Inc.; NIAC Member.
VI. Adoption of NIAC Recommendations	NIAC Members.
VII. Final Report and Discussion on Evaluation Enhancement of Information Sharing Analysis.	Thomas E. Noonan, Chairman, and President & CEO, Internet Security and Systems, Inc.
VIII. Adoption of NIAC Recommendations	NIAC Members.
IX. Updates	White House Staff.
A. NSTAC	Chairman and Vice Chairman, NSTAC.
B. National Cyber Security Division	Amit Yoran, Director.
X. New Business	Chairman Davidson; NIAC Members.
XI. Adjournment.	

Procedural

These meetings are open to the public. Limited seating will be available. Reservations are not accepted. Please note that the meetings may close early if all business is finished. Written comments may be submitted at any time before or after the meeting. However, to facilitate distribution of public presentation materials to NIAC

members, the Council suggests that presenters forward the public presentation materials, 10 days prior to the meeting date, to the following address:

Ms. Nancy J. Wong, Infrastructure Coordination Division, Directorate of Information Analysis and Infrastructure Protection, U.S. Department of Homeland Security, Room 6095, 14th

Street & Constitution Avenue, NW., Washington, DC 20230.

At the discretion of the Chair, members of the public may make oral presentations during the meetings. If you would like to make an oral presentation at a meeting, please notify the Designated Federal Official and submit written material. If you would like a copy of your material distributed
