Proposed Reissuance of General NPDES Permit for Offshore Oil and Gas Exploration Facilities on the Outer Continental Shelf and Contiguous State Waters (NPDES Permit Number AKG280000)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed reissuance of a general NPDES permit.

SUMMARY: The Director, Office of Water, EPA Region 10, proposes to reissue a general National Pollutant Discharge Elimination System (NPDES) permit for offshore oil and gas exploration facilities on the outer continental shelf and contiguous state waters pursuant to the provisions of the Clean Water Act (CWA) 33 U.S.C. 1251 *et seq.* The proposed permit will authorize offshore oil and gas statigraphic test and exploration wells and associated discharges in the Federal and State of Alaska waters of the Beaufort and Chukchi Seas. The proposed permit establishes effluent limitations, prohibitions, and other conditions on discharges from covered facilities. These conditions are based on existing national effluent guidelines at 40 CFR part 435, the State of Alaska's water quality standards (18 AAC 70), and the State of Alaska's wastewater disposal requirements (18 AAC 72). The fact sheet describes the basis for the specific limitations, conditions, and requirements of the proposed permit.

DATES: Interested persons may submit comments on the proposed reissuance of the general permit to EPA, Region 10 at the addresses below. Comments must be postmarked by May 20, 2004.

ADDRESSES: Comments on the proposed reissuance of the general permit must be sent to the attention of the Director, Office of Water, 1200 Sixth Avenue, M/S OW-130, Seattle, Washington 98101. Comments may also be submitted electronically to koch.kristine@epa.gov.

FOR FURTHER INFORMATION CONTACT: Copies of the proposed general permit and fact sheet are available upon request. Requests may be made to Audrey Washington at (206) 553-0523 or to Kristine Koch at (206) 553-6705. Requests may also be electronically mailed to: koch.kristine@epa.gov. The proposed general permit and fact sheet may also be found on the EPA Region 10 Web site at www.epa.gov/r10earth.htm, click on Water Quality, then click on NPDES permits under

Programs, and then click on draft permits under EPA Region 10 Information.

SUPPLEMENTARY INFORMATION:

Executive Order 12866

The Office of Management and Budget exempted this action from the review requirements of Executive Order 12866 pursuant to section 6 of that order.

Regulatory Flexibility Act (RFA)

Under the RFA, 5 U.S.C. 601 *et seq.*, a Federal agency must prepare an initial regulatory flexibility analysis "for any Administrative Procedure Act (APA), or any other law, to publish general notice of proposed rulemaking." The RFA exempts from this requirement any rule that the issuing agency certifies "will not, if promulgated, have a significant economic impact on a substantial number of small entities." EPA has concluded that NPDES general permits are permits under the APA and thus not subject to the APA rulemaking requirements or the RFA.

Dated: March 29, 2004.

ENVIRONMENTAL PROTECTION AGENCY

[OPPT-2004-0086]; FRL-7353-3]

Certain New Chemicals; Receipt and Status Information

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Section 5 of the Toxic Substances Control Act (TSCA) requires any person who intends to manufacture (defined by statute to include import) a new chemical (i.e., a chemical not on the TSCA Inventory) to notify EPA and comply with the statutory provisions pertaining to the manufacture of new chemicals. Under sections 5(d)(2) and 5(d)(3) of TSCA, EPA is required to publish a notice of receipt of a premanufacture notice (PMN) or an application for a test marketing exemption (TME), and to publish periodic status reports on the chemicals under review and the receipt of notices of commencement to manufacture those chemicals. This status report, which covers the period from March 1, 2004 to March 18, 2004, consists of the PMNs and TME both pending or expired, and the notices of commencement to manufacture a new chemical that the

Agency has received under TSCA section 5 during this time period.

DATES: Comments identified by the docket ID number OPPT-2004-0086 and the specific PMN number or TME number, must be received on or before May 5, 2004.

ADDRESSES: Comments may be submitted electronically, by mail, or through hand delivery/courier. Follow the detailed instructions as provided in Unit I. of the **SUPPLEMENTARY INFORMATION.**

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. As such, the Agency has not attempted to describe the specific entities that this action may apply to. Although others may be affected, this action applies directly to the submitter of the premanufacture notices addressed in the action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT.**

B. How Can I Get Copies of this Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number OPPT-2004-0086. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the EPA Docket Center, Rm. B102-Reading Room, EPA West, 1301 Constitution Ave., NW., Washington, DC. The EPA Docket Center is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The EPA Docket Center Reading Room telephone number is (202) 566-1744 and the telephone number for the OPPT Docket,

which is located in EPA Docket Center, is (202) 566-0280.

2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

For public commenters, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The
