

Centers cooperative agreement are required to discuss the following requirements in their applications, in addition to the requirements specified in the BPPI-04 PA (MOD):

a. In "Section A: Need, Justification of Best Practice, and Readiness":

(1) Applicants do not need to produce evidence that a community of stakeholders has achieved a "decision to adopt" the best practices. Instead, applicants may describe relationships with existing community "stakeholders" and partnerships with key community "stakeholders" already achieved under current NCSTI Category III Community Treatment and Service grants.

(2) Applicants must include in their financing plan a statement and description of their plan to dedicate at least 20% of the grant funds to the following Network participatory and collaborative activities:

- Linking, networking, collaborating, and coordinating with other NCTSN Centers to improve access to and quality of treatment and services for children and adolescents exposed to traumatic events such as collaborating with other NCTSN centers in multi-site treatment/ services studies, jointly developing clinical data and evaluation data collection protocols, etc.;

- Participating in NCTSN committees, workgroups, and taskforces;
- Implementing consensus decisions made by the NCTSI Steering Committee;
- Serving as a resource for the NCTSI and the National Resource Center for Child Traumatic (NRC-CTS) in aspects of community treatment/service delivery; and

- Working with the NCTSN and NRC-CTS to ensure that best practices in training, assessment, and/or intervention approaches from your center can be documented, standardized, evaluated, and disseminated to other service programs nationwide.

b. In "Section B: Proposed Approach": Applicants are required to document their plans for continuing to participate and collaborate in the Network for pilot testing, adaptation, implementation, and evaluation of the best practice. They should indicate with which IDECs and CTSCs in the Network they will collaborate for these purposes.

c. In "Section D: Evaluation Design and Analysis": Applicants must indicate that they will participate in cross-site evaluation efforts.

1.3 *Performance Measurement*: All SAMHSA grantees are required to collect and report certain data, so that SAMHSA can meet its obligations under the Government Performance and Results Act (GPRA). Grantees of the

NCTSI "Community Treatment and Services Centers program will be required to report performance in: (1) increasing the number of children and adolescents reached by improved services; and (2) improving children's outcomes. Specific indicators include: (1) Number of persons served; (2) number, type, and capacity of services available; and (3) participants (consumer/family) reporting involvement in behavioral/emotional outcomes. The applicant must document its ability to collect and report the required data in "Section D: Evaluation Design and Analysis" of its application. An instrument will be developed by CMHS staff to report on these indicators.

2. *Review and Selection Process*: Information about the review and selection process is available in the BPPI-04 PA (MOD) in section V-2. *Award Criteria*: Because eligibility is limited to NCTSI—Community Treatment and Services Centers grantees funded in FY 2001, equitable distribution of awards in terms of geographic criteria does not apply.

VI. Award Administration Information

Award administration information, including award notices, administrative and national policy requirements, and reporting requirements are available in the BPPI-04 PA (MOD) in section VI. In addition to the reporting requirements stated in the BPPI-04 PA (MOD), the applicant must provide quarterly progress reports and an annual evaluation report that documents progress in achieving project goals. SAMHSA's standard terms and conditions are available at http://www.samhsa.gov/grants/2004/useful_info.asp.
