

owned property is to be exchanged: Tract Number 02-213 is a 32.14-acre upland tract in the southern portion of Cumberland Island National Seashore. This tract includes a life estate (15.1 acres, with dwelling) and is located immediately to the north of, and contiguous to, a private tract of 206.13 acres owned by Greyfield Land Corp. In exchange for the foregoing lands, the United States of America will acquire a 52.2-acre tract (NPS Tract No. 02-212) containing 21 acres of upland. This tract is owned by Greyfield Ltd. and lies within an area designated by Congress as potential wilderness.

The terms of the exchange are set forth in a contract by and among Greyfield Ltd., The Nature Conservancy, and the National Park Service. The parties agreed to the exchange in order to resolve a dispute that arose during the sale of the former Greyfield North tract to The Nature Conservancy for eventual conveyance to the National Park Service. As a result of the exchange agreement, the parties completed the final phases of the Greyfield North transaction in 1999, with the understanding that the land exchange was to be completed by July 1, 2004.

An archeological survey completed in 2003 revealed that the exchange tract contains potentially significant archeological resources that may be eligible for listing in the National Register of Historic Places. The National Park Service has determined that the proposed exchange would have an adverse effect on these resources. Accordingly, the National Park Service proposes to mitigate this adverse effect by conducting extensive data recovery from the site, with curation, prior to the exchange.

The value of the properties to be exchanged shall be determined by a current fair market appraisal and if they are not appropriately equal, the values shall be equalized by payment of cash as circumstances require.

Interested parties may submit written comments to the address listed in the **ADDRESSES** paragraph. Adverse comments will be evaluated and this action may be modified or vacated accordingly. In the absence of any action to modify or vacate, this realty action will become the final determination of the Department of the Interior.

Dated: January 5, 2004.

Acting Regional Director, Southeast Region.
